## FROM PRINCIPAL VANDERVEER

Dear RHS Students & Families:

As you have likely heard, RHS and all schools in LWSD have struggled with staffing shortages this year. I am happy to share an opportunity for parents and volunteers to be credentialed as emergency substitute teachers.

If you are someone who:

- Has demonstrated the ability to supervise and connect with students
- May have previous work experience that would translate to success in a classroom

Steps:

- Candidate will complete an [employment application](#) for Job 4508 (Substitute Teacher) through Frontline:
- Candidate goes to the following link for instructions around [emergency substitute certification](#):
- Candidate goes to the following link to access [e-Certification](#) and create a profile:
- Building principal notifies Sam Yuhan and Tina Ayer of name(s) of candidates
- HR initiates the Emergency Substitute Certificate
- HR will contact the candidate to scan fingerprints at Human Resources

- Candidate completes District Request application through E-Certification and pays the fee
- When fingerprints are cleared, HR will rush the request
- HR will notify all parties when Emergency Substitute Certificate has been issued

Please reach out to me directly if you have questions.

As always, thank you for your partnership and support as we navigate these challenging times.

## 2022 LOCAL LEVIES

# VOTE!

### ***Levy Update: Three measures on the February 8 ballot to support excellence for every student.***

Local levies help bridge the funding gap between what the state provides our schools and what we actually need to support students. Local levies pay for staff at each school, technology for students and classrooms, help us maintain our schools and add classroom space.

Lake Washington School District is asking for three local levies on the February 8 ballot. Each measure will help support excellence for every student. Two measures renew current levies that are set to expire later this year.

Propositions 1 and 2 will continue funding for school staff, programs, and opportunities for our students, like performing arts, extracurriculars and athletics. Proposition 3, our Building Excellence Construction Levy, will help us meet our current and future growth by adding classroom space across our fast-growing district. You can [learn more about Propositions 1-3 here](#).

## COVID PARTNERSHIP

**New:** As we face the current increase of Covid cases, we want to thank you for the continuing support of school safety processes. Please review the following with your child:

1. **Masking:** Make sure to wear a mask completely covering the nose and mouth. When actively eating or drinking, minimize time with mask off. Refrain from eating candy on sticks or other food items that might prevent safe and appropriate mask wearing.
2. **Social distancing:** There are many spaces available for lunch throughout the building and outside. Keep as much distance as possible while eating with others. When not eating, make sure that you are masked.
3. **Good hygiene:** Wash hands frequently. Use hand sanitizer. Refrain from sharing drinks. Maintain distance in restrooms while waiting to use a stall. All stalls are designed for individual use. Refrain from eating or drinking in restrooms.

Please do not send your child to school if they are experiencing any symptoms, have tested positive or have been identified as a close contact and are not fully vaccinated. In these instances, keep your child at home and contact the school via the attendance office. This will start the process for the school to be able to provide for further instructions for when it is okay to return to school.

We appreciate your patience and partnership during this challenging time.
