Hello RAHS Families and Communities –

I hope you are all enjoying this weekend as we honor the life and legacy of **Dr. Martin Luther King Jr.** Although he was assassinated over 50 years ago, so much of what he left behind still lives on in his words and actions that encourage us to continue to serve our community, to love one another, and to bring about equality and unity to our neighborhoods, our cities and our country. I grew up in the 1960's and remember vividly, a visit to Washington DC during the civil rights movement in 1968. The country was in turmoil, and yet there was a hope that permeated the air – a hope for a better tomorrow for the next generation. 54 years later, we are again in the midst of turmoil and division - and a world-wide pandemic - yet hope for a better tomorrow is still alive. Dr. King said "Courage is an inner resolution to go forward, despite obstacles." And despite the obstacles before us, we are striving to do our best to provide an open, equitable and inclusive space for all students to learn and realize their best future. We honor and commit to Dr. King's hope and vision for a world where all humans are equal.

I am proud of our school community – our staff who show up each day to care for every student, for our parents who support our school and for our partners in aviation who are continually striving to create equitable opportunities for our scholars. To paraphrase Martin Luther King, "Even if 'we' cannot do great things, 'we' can do great things in a small way." Together we CAN make a difference.

Please join me in honoring Dr. Martin Luther King Jr. and the incredible impact he had on our country by caring about each other, giving back to our communities, and welcoming each other despite our differences.

*Therese Tipton*

**Attention Students!** Are you thinking about getting an after-school job? If you have a job while in high school in the State of Washington, you have to have a form signed by the school, called the **Washington State Department of labor Parent/School Authorization** form. The really good news about having the school sign the form, and keeping track of student jobs and your hours, is that you are eligible to attain **Work-Site Learning credits!** Please see Mrs. Tipton or **Mrs. Olsen** in the Career Center if you have an authorization form to be signed or have questions about a job outside of school!

**Students!** One of our outstanding alumni, Brigitta Nguyen, is part of a non-profit called The Lighthouse Initiative, which aims to uplift underrepresented minorities to the highest levels of performance and leadership both academically and professionally. **We are excited to share with RAHS students an incredible opportunity for career exploration and mentorship.** The organization is hosting the "Exploring Career Pathways Program," which is a series of panels running through May, [see flyer here](#). These panels will give the students exposure to a variety of career pathways in-depth, from engineering to medicine to law. The panels will consist of extremely successful individuals in these fields, including executives, CEOs, and founders, who have all expressed that they would be open to taking on mentees from the participants of these sessions! The panels will all be held virtually and almost all of them are outside of the school day.
