

Cleveland ISD: Rapid Testing for Employees and Students

Cleveland Independent School District is providing rapid testing for **employees and students** who are *symptomatic* for COVID-19. Testing does not apply to family members of either, as we have a limited supply. Below is the information you need in order to rapid test through our drive thru location.

| | |
|----------------------|--|
| Location | Home Campus The Service Center will be the testing site for non-campus employees. 326 FM 1010 Cleveland, TX 77327 |
| Hours | Employees will be tested on their home campus prior to the start of their workday. Students are tested throughout the day when presenting with suspected COVID symptoms. 7:30-9:30 a.m. for non-campus employees [Service Center Location] <ul style="list-style-type: none">• No appointment needed |
| Identification | <u>Employees:</u> Driver's License or State Identification CISD Badge <u>Students:</u> Driver's License (for students who can drive themselves) Cleveland ISD Student ID or Transportation Smart Tag |
| Consent Forms | A health questionnaire must be completed prior to testing. The consent form is included in this document. The completion of the questionnaire and consent form must be done in person. Consent over the phone is not permissible. Students 18 and older may complete the questionnaire and give consent without a parent/guardian being present. |
| Arrival Instructions | Please make sure you follow all protocols specific to your campus. Masks are required in the clinic or designated testing site while completing the health questionnaire and awaiting your results. |
