

## New programs on the 10<sup>th</sup> grade application (All direct pathways/certification for careers upon graduation)

1. Career Nursing Assistant
2. [Pharmacy Tech](#) (partnering with Carroll County Community College)
3. [Dental Assistant](#) (partnering with Carroll County Community College)

\*\*\*Students who successfully complete these programs will be **certified** to go right into to a career after high school!

### **Prerequisite: Biology (academic level)**

Schedule: Similar to our traditional programs (End of junior year and beginning of senior year)

Goal: Earn a certification so that you can become employed right after graduation

### 1. **Career Nursing Assistant** 6 credits (You just saw this one for the Class of 2023)
