

Parent(s)/Guardian(s) of 10th Grade Students:

Parents this is your last reminder that the Carroll County Career and Technology Center is hosting their annual Open House, this Thursday, October 20th. As a 10th grade student your child must apply this year for any of the programs at the Career and Technology Center.

What: Career and Technology Open House

When: Wed, October 17th

Time: 6pm – 8pm

Where: The Career and Technology Center in Westminster (Right next to Westminster HS)

Reason to attend the Open House:

- 1) Student will get a first-hand look at all of the programs that are available**
- 2) Students will have the opportunity to speak with the teacher of each program**
- 3) Student will have the opportunity to see demonstrations in each program**
- 4) Students will have the chance to fill out a Career and Technology Application on site and turn it in**

This is a very busy night at the Technology Center so I recommend that you arrive as close to 6pm as possible (Westminster HS is also having an event so parking may become an issue). There is a shuttle that will run from Robert Moton Elementary School Parking Lot.

The flyer for the Open House is attached for your convenience.
