+ **TRANSPORTATION:** The Carroll County Career and Technology Center provides Academy of Health Professions' students with community-based experiences which are integral to the program. Parents are responsible for transportation for students to these sites. In no event shall the Board of Education of Carroll County, its agents, or its employees be held responsible for any injury that may befall a student, or a third party, during a student's participation in such events or in transportation to and from such events.

### Minimum Requirements:

### Questions?

**Minimum Requirements: (1) 11th grade status upon entering program (2) 2.0 GPA in academic classes (3) 94% attendance**

Space is limited in many CCCTC programs. Students are evaluated for placement based on GPA, attendance, and the rigor in math, science, & English courses on the student's transcript. (SEE website and Program of Studies)

1. Go to our website at [www.carrollk12.org/ctc](http://www.carrollk12.org/ctc)
