Stephen H. Guthrie
Superintendent

Dear Parent or Guardian,

The Carroll County Public Schools Career and Technology staff would like to congratulate you on the acceptance of your child into one of our programs. Career and Technology programs are highly competitive and are offered at the Career and Technology Center, as well as our comprehensive high schools.

Students participating in our programs are required to participate in course certification assessments that require personal information to be included in the registration process. Please review the testing vendor's Terms of Use agreement for the program your child is currently enrolled. Links to each testing vendor's Terms of Use can be found at the following web address:

<https://www.carrollk12.org/instruction/curriculum/secondary/cte/Pages/AssessmentAndCertifications.aspx>, and selecting the appropriate program area.

If you have questions or concerns regarding industry certification testing and procedures, please contact your child's school for further information.

CERTIFICATION TESTING Parent Permission Form
