We are a community committed to growing and learning together.

School Responsibilities

COMMUNICATE

Myrtle Grove teachers will communicate with families about student learning through weekly newsletters, teacher webpages, phone calls, emails, and Talking Points app messages.

INSTRUCT

Myrtle Grove teachers will provide every student with high quality instruction aligned to the NC Standard Course of Study.

REACH ALL LEARNERS

Myrtle Grove staff will provide students with the opportunity to explore areas of interest, provide opportunities for enrichment, and remediation when needed. We will provide students with study skills and organization strategies that will last a lifetime.

What is a School-Parent Compact?

Jointly developed 9/2021

The compact outlines how parents, the entire staff, and students will share in the responsibility for improved student academic achievement and the means by which the school and the parents will build and develop partnerships to help children achieve the State's high standards.
