

## **We will be supporting St. Michael's Hospice Yellow Week with a Yellow Day on Friday 25<sup>th</sup> February, 2022**

### **What is Yellow Day?**

Yellow Day is the St Michael's Hospice annual event to raise awareness of the work they do and also to raise much needed funds.

### **Why are we doing it?**

Every year St Michael's Hospice supports over 1,300 patients, their families and friends as well as bereaved people throughout the catchment area. The cost of running the Hospice is £5,000,000 each year, so every donation, however large or small, helps them to provide specialist palliative care services to patients and their families throughout the Hastings and Rother area.

### **How can we help!**

Pupils can wear school uniform with either a yellow accessory (e.g. hairband, bracelet, socks), an item of yellow clothing or a full yellow outfit!

Please access the ParentPay event in your account, if you wish to donate. Donations can be made from today to 28<sup>th</sup> February. Suggested donation £1.00.

**Thank you for your support!**
