

2018-2019
Belfry High School
Snow Day Assignments
Grades 10 - 11

We at Belfry High School want the snow days encountered to provide instruction that will be beneficial to all students. For this school year, we have chosen for all 10th and 11th grade students to prepare for ACT. Most colleges require this test to prior to seeking admission to their school and your scores may be used to determine if you have the language and math skills to successfully complete college coursework. Students must score high enough on this exam to avoid developmental classes in English and Math. The best way to prepare is practice! The Plato Online Learning ACT course prepares you to take the ACT. The lessons provide individualized instruction that teach each student the skills needed to achieve college benchmarks.

Step 1

Grading Policy

Since Pike County is given credit for instruction on snow days, it is mandatory that all students complete the Snow Day Assignments. All student will have 5 days from the date we return to school after snow days to complete the required assignment. After that time, Homeroom teachers will identify any student who has not completed their assignment and follow up with that student.

What Should I Do if I Have Questions or Problems With the Assignment On a Snow Day?

Teachers will be available at Belfry High School on Snow Days. If you have a question or problem, please contact your teachers at school by calling 237-3900 or contact them via school e-mail.

Snow Day	Daily Assignments After taking the Pre-test, if you see a blue E marked on a lesson or score at least 80%, you have scored high enough on that section to exempt yourself from that lesson tutorial and you may skip that assignment.
