

Belfry High School
2017-2018
Non-Traditional Snow Day Assignments
Grades 12

We at Belfry High School want the snow/weather days we encounter to provide instruction that will be beneficial to all students. For this school year, we have chosen for twelfth grade students to prepare for college and career readiness. The results of your academic background, goals and interests, are used by academic counselors to determine your readiness for college. The best way to do this is to prepare! The Edmentum Website offers a course that better inform you in choosing a career path. The lessons provide individualized instruction that teach each student the skills needed gain skills in career exploration and personal finance. In alignment with our Comprehensive School Improvement Plan (CSIP) goal, we will focus on **Career Exploration** for the first 6 days. All additional snow days will focus on **Personal Finances**.

Grading Policy

Since Pike County is given credit for instruction on snow days, it is mandatory that all students complete the Snow Day Assignments. All student will have 5 days from the date we return to school after snow days to complete the required assignment. After that time, Homeroom teachers will identify any student who has not completed their assignment and follow up with that student.

What Should I Do if I Have Questions or Problems With the Assignment On a Snow Day?

Teachers will be available at Belfry High School on Snow Days. *If you have a question or problem, please contact your teachers at school by calling 237-3900 or contact them via school e-mail.*
