2019-20 Phase Two: School Assurances

2019-20 Phase Two: School Assurances

Introduction

Assurances are a required component of the CSIP process (703 KAR 5:225). Please read each assurance and indicate whether your school is in compliance by selecting the appropriate response (Yes, No or N/A). If you wish to provide further information or clarify your response, space for comments is provided. Comments are optional. You may upload any supporting documentation as needed.

Teacher Performance

1. The Every Study Succeeds Act (ESSA) requires each school to report data regarding ineffective teachers. An ineffective teacher receives a summative effectiveness rate of “Ineffective” as determined through the local performance evaluation system that meets the requirements established by KRS 157.557. An ineffective teacher consistently fails to meet expectations as determined by a trained evaluator, in competencies identified as the performance criteria in the Kentucky Framework for Teaching.

Responses to this assurance will be collected in the Kentucky Teacher Performance survey. Responses to each survey question should be based on data from the 2018-19 school year. Once you have completed the survey, return to the 2019-20 Phase Two: School Assurances diagnostic to certify that your school has completed the survey and to complete the remaining assurances on the diagnostic.

I certify this school has completed the Kentucky Teacher Performance survey.
