Bevins Elementary School	
Second Grade NTI Day 21	
Math	○ Reflex math until you get a green light ○ **If you do not have a computer/internet** 1. Max's dog buried 14 bones in the garden. He buried 26 more the next day. How many bones did he bury altogether? Explain work
Science	○ www.mobymax.com science assignment *go to science and click on it, this will take you to you next science assignment.* ○ **Sink or Float-**With your parents help, choose 3 items (example aluminum foil, something plastic, something metal) fill a bowl with water, place each item one at a time in the bowl, record what happens. Next explain why you think the object either floated or sunk.
Reading	○ Read for at least 20 minutes then choose 2 questions from the choice board to discuss with a family member (see below)

Summarize: Tell the important parts of a story or important facts in a nonfiction book.	What is the author trying to teach you?	Describe the main character.	Would you like to be friends with the main character? Tell why or why not.	Talk about the problem and solution.	Have you ever felt like a character in the story?
Describe the setting. How is the setting important to the story?	What was the genre of the book? How do you know?	Tell a new ending for one of the books you read.	Do any of the characters remind you of someone you know?	Talk about what you learned.	Tell about a time when you had a similar experience to a character in the story.
How did the character change in the story?	Talk about how the character's feelings changed throughout the story.	Why do you think the author wrote this book?	Talk about what you already knew about the topic and what was new to you in a nonfiction book.	What did this book make you think about?	What questions do you have after reading this story?

P.E.	**Choose 1 video link OR do 2 Iron Man exercises** • **Sonic the Hedge Hog Go Noodle** https://www.youtube.com/watch?v=aZru-M3TUlI • **Fortnite Fitness** https://www.youtube.com/watch?v=0kvyBApinGU

Bevins Elementary School	
Second Grade NTI Day 22	
Math	○ www.commoncoresheets.com do 2.oa1 10 problems and write down your score ○ Use your thumb as an one inch measurement, measure 3 things around your house, record on a sheet of paper the object you measured and how many inches by your thumb this object measured.
Social Studies	○ Draw a timeline of your life.
Reading	○ Read for at least 20 minutes then choose 2 questions from the choice board to discuss with a family member (see below).

Library	**Complete one activity from the list for Library class.** **Read a picture book or 15 minutes of a chapter book. Online books can be used.** http://www.mycapstonelibrary.com/login/index.html **OR** **Library Love Harry Potter? Check this out! Escape Room at Hogwarts** https://docs.google.com/forms/d/e/1FAIpQLSfINxNM0jzbZJjUqOcXkwhGTfii4CM_CA3kCxImbY8c3AABEA/formResponse				

Bevins Elementary School	
Second Grade NTI Day 23	
Math	○ Reflex math until you get a green light ○ **If you do not have a computer/internet** Complete the following comparing numbers on a sheet of paper. **1.** Jan and her sister Cindy went bowling. Jan bowled a score of 161. Cindy bowled a 158. Who got the higher score? **2.** John the carpenter earned 637 dollars in January. He earned 643 dollars in February. In which month did he earn more money? **3.** Leah has 353 jellybeans in a jar. Grant has 335 jellybeans in a bag. Who has fewer jellybeans?
Science	○ www.mobymax.com science assignment *go to science and click on it, this will take you to the next science assignment.* ○ **If you do not have a computer/internet** ○ **Traveling Sound-** Take two plastic cups, with parents help place a hole in the bottom of each cup. Attach a piece of string to each end of the cup, make the string long enough for you and a parent or brother/sister to go some distance from you. One of you whisper into the cup, while the other places the other cup to their year. See of that person heard what the said. You may want to try this with two other types of material like rubber band, and floral wire. Record on a sheet of paper which material worked better transferring sound.
Reading	○ Read for at least 20 minutes then choose 2 questions from the choice board to discuss with a family member (see below).

Summarize: Tell the important parts of a story or important facts in a nonfiction book.	What is the author trying to teach you?	Describe the main character.
