Days 21-25

Special Education

Dear Parents / Guardians,

This packet contains hands-on activities, worksheets, and review content to help continue the educational success of your child while they are away from the classroom. A checklist / sign off sheet has been included to allow you to keep up with completed assignments. You will also need to take pictures of your work or checklists and send to Mr. Staggs or Mrs. Masters every **two days.**

Remember, your child may have his / her eligible accommodations on this packet. You may provide your child with those accommodations and / or reach out to one of us. We will be available via phone, video chat, or email throughout the day to answer any questions that you might have.

Thank you so much for your continued investment in the academic success of your child.
