NTI

Days 31-35

Special Education Math

Dear Parents / Guardians,

This packet contains hands-on activities, worksheets, and review content to help continue the educational success of your child while they are away from the classroom. A checklist / sign off sheet has been included to allow you to keep up with completed assignments. You will also need to take pictures of your work or checklists and send to Mr. Staggs every **two days.**

Remember, your child may have his / her eligible accommodations on this packet. You may provide your child with those accommodations and / or reach out to one of us. We will be available via phone, video chat, or email throughout the day to answer any questions that you might have.

Thank you so much for your continued investment in the academic success of your child.

Mr. Staggs

Math

If you are unable to print this packet, please use a regular piece of paper to record the activity and your response. Send pictures of the complete work to Mr. Staggs

For example : Day 21. 3/30/2020 ***Signature.*** *Answer the question, write your sentence.*

Date	Signature	(Day) Activity
		(31) Math Think about a math problem you have done over the last two weeks? How can you apply this to the real world? (grocery shopping, counting, etc.)?
		(32) Math Free choice! Create your own Easter math problem!
		(33) Math 
		(34) Writing

		
		(35) Math For today, think about the highest number you can count to. What is the highest number you can count to? _____ Now, take that number and add your age to it. What number do you get? _____ Tell also how addition and subtraction are similar _____
