Bevins Elementary School	
Second Grade NTI Day 41	
Math **My Riddle**	○ Solve the riddle, use toothpicks and miniature marshmallows to model the shape. Take a picture of your solution and email to me. **I am a shape with** **4 sides, 4 vertices, and 4 angles** What am I?.
Reading	o www.mobymax.com work on Fry Words for 15 minutes **OR** o Read a story or listen to one on Capstone and draw a picture of your favorite part
Social Studies	**Farm animals are something that people from the past and today have in common. They are essential in helping us have food we need to survive.** **Play a game of charades with the farm animals listed on the sheet. If you can't print the sheet, draw your own animals.** o **Cut out** the rectangles with the pictures and words to be guessed and **fold** them up. Place the folded papers in a **container**. o Take turns drawing a paper from the container and **acting it out** (without talking) in front of your audience until someone guesses it correctly.
Library	Don't forget our E-book Challenge! We want to be the top e-book school in our district. Read an e-book (or two) on Capstone OR read a book of your choice at your house. o Username: bevins Password: school o http://www.mycapstonelibrary.com/login/index.html

Bevins Elementary School	
Second Grade NTI Day 42	
Math	○ Solve the riddle, use toothpicks and miniature marshmallows to model the shape. Take a picture of your solution and email to me. What am I? **I have 3 sides, I have 3 vertices, and I have 3 angles.**
Reading	o www.mobymax.com work on Fry Words for 15 minutes **OR** ○ Read a story or listen to one on Capstone then using sidewalk chalk, crayons/paper, etc. use 10 words from the book to create a hopscotch board.
Science	Disappearing Egg Activity for Kids **Supplies:** ● 16-ounce mason jar with lid and ring ● white vinegar ● fresh egg This science activity will take two or three days to complete. **Directions:** 1. Gently place the egg into the mason jar. 2. Fill with vinegar leaving 1/2″ space at the top. It is important to leave room at the top of the jar or it might burst from the carbon dioxide gas produced by the reaction. 3. Loosely cover the jar with the lid and ring. Again, make sure it is not too tight so that the gas can escape the jar. Let sit for about two days. Remove from jar and rinse off in water. Enjoy your shell-less egg!

P.E.: Choose 1 GoNoodle video of your choice: www.gonoodle.com

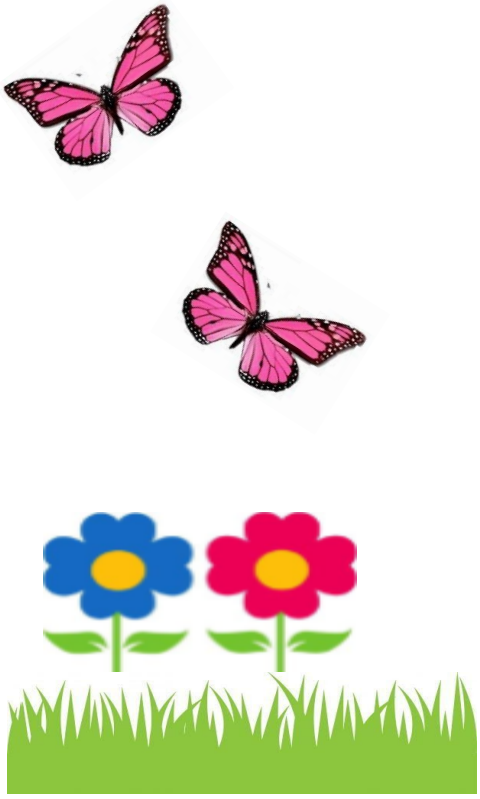

OR

Backyard Scavenger Hunt

FIND any 3 and take a snapshot of it.

**KEEP YOU FINDINGS FOR ART CLASS TOMORROW WITH MRS. SMITH

- 3 different shaped leaves
- Something red
- Dandelion fluff
- Pinecone
- Find something oval
- Acorn/nut
- Find something black
- Feather
- Moss
- Find something heart shaped
- A flower
- Grass
- 3 rocks: shiny, flat, knobby
- A forked stick
- Something with a scent
- Something yellow
- Insect
- Find something round

Bevins Elementary School	
Second Grade NTI Day 43	
Math	○ Solve the riddle, use toothpicks and mixture marshmallows to model the shape. Take a picture of your solution and email to me. I am a shape with 5 sides, 5 vertices, and 5 angles, What am I?
Reading	o www.mobymax.com work on Fry Words for 15 minutes **OR** o read a book or listen to one on Capstone and draw a new character you think would fit in the book and give the character a name
Spelling	o Learn to spell 5 new words, write them down, and give them to someone else. o Grab a pillowcase to play a game of "Sack Race" against yourself to try to beat the time. o Mark a place to start and end your race. Stand on the starting line and step inside your pillowcase. o The person who has your list will give you a word from your list and say go. o You must spell the word correctly while hopping to the finish line before time is up. The person who has the list can set the amount of time you have.
Art	**o** Use the Scavenger Hunt items that you found yesterday for Mrs. Francis assignment to create an Outdoor/Nature Art Collage. A collage is a work of art made by gluing pieces of different materials to a flat surface. You may glue your objects to the paper or you may just arrange and place them on the paper. Ask a parent to take a photo of your collage and post to the Bevins' Elementary page to share your art with others. o Here is a great example of a collage: o https://stillblog.net/stills/day/joes-composition/

Bevins Elementary School	
Second Grade NTI Day 44	
Math	○ Solve the riddle, use toothpicks and mixture marshmallows to model the shape. Take a picture of your solution and email to me. I am a shape with 6 sides, 6 vertices and 6 angles, What am I?
Reading	read a book or listen to one on Capstone just to enjoy
Science	Write the outcome of your science activity and take a picture of it and email to me.
P.E.	Think of your favorite P.E. game or exercise you have done this year. Take a picture of you doing it and post it to the school Facebook page!! Enjoy your summer!!!!
