Wednesday, May 6th

Use the Scavenger Hunt items that you found yesterday for Mrs. Francis assignment to create an Outdoor/Nature Art Collage. A collage is a work of art made by gluing pieces of different materials to a flat surface. You may glue your objects to the paper or you may just arrange and place them on the paper. Ask a parent to take a photo of your collage and post to the Bevins' Elementary page to share your art with others.

Here is a great example of a collage: https://stillblog.net/stills/day/joes-composition
