

The district, school and site information and personal data is for INTERNAL USE ONLY and must be kept confidential. External use must be limited to sharing district data with that respective district only.

How to use this report

This report provides enrollment, action plan and assessment data for schools in the selected district, for the selected program and assessment. The data can be used to understand trends in work completed, identify current areas of focus, and suggests areas of opportunity for future policy and practice change efforts.

Data as of
Oct 27, 2020

District

This report is prepared exclusively for the following district:

▼ Pike Co School District ▼

Action Plans

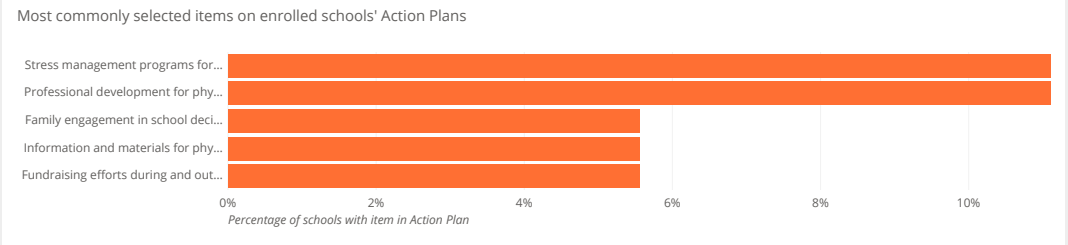

The Action Plan is a tool to help schools manage tasks related to school health initiatives. Each school has one Action Plan, which can include items from both the Healthy Schools Program and RISE.

Total items in schools' Action Plans

18 items

Total items marked complete

0 items

Program

▼ Healthy Schools Program ▼

The following charts show data specific to the childhood health program you have selected.

This pie chart and table show the counts and percentages of schools in your district that are enrolled in this program. The support types are defined as:

Onsite Support

A Healthier Generation Program Manager for the program selected above meets with school staff in-person, conducting workshops and supporting the school's involvement in Healthier Generation programs.

Online or Virtual Support

Healthier Generation supports the school's involvement in programs virtually, using either a Virtual Program Manager or the Member Engagement and Support Team as well as webinars, email, phone, on-demand learning and other digital tools.

Assessment

Healthy Schools Assessment

The following charts show data specific to the childhood health program assessment you have selected.

Assessment completion by support type

Assessment completion by support type

Type	Completed	% Complete	Started	% Started	Not Started	% Not Started	Total
All enrolled schools	18	90%	2	10%	0	0%	20
Online or Virtual Support	18	90%	2	10%	0	0%	20

View all 2 rows and 8 columns

The Assessment completion by support type charts show how many schools in your district have completed (answered all questions at least once), started (answered at least one question, but not all of them) and not started this assessment.

Assessment completion among all enrolled schools, by grade level

Assessments updated by enrolled schools within the last 12 months, by support type

Type	Completed	% Complete	Started	% Started	Not Started	% Not Started	Total
All enrolled schools	18	90%	2	10%	0	0%	20
Elementary	3	75%	1	25%	0	0%	4
Middle	1	100%	0	0%	0	0%	1
High	5	100%	0	0%	0	0%	5
Other	9	90%	1	10%	0	0%	10

View all 5 rows and 8 columns

Type	Updated	% Updated	Not Updated	% Not Updated
All enrolled schools	5	25%	15	75%
Online or Virtual Support	5	25%	15	75%

*Note: Other schools include K-8, K-12, and other schools not considered Elementary, Middle, or High

Percentage of items fully meeting best practices on the current assessment compared to state & national data

Note: The state and national benchmarks above include data from your district.

Assessment responses for schools in your district, listed by topic

Assessment responses with the highest percentage fully meeting

Assessment responses with the highest percentage not fully meeting

Assessment responses for schools in your district, listed by question

Criteria	Fully in place:#	Not in place:#	Partially in place:#	Under development:#	Fully in place:%	Not in place:%	Partially in place:%	Under development:%	Question Description
