5050 MADISON STREET • SKOKIE, IL 60077 • (847)-675-7666 • FAX (847) 675 -7675 • WWW.SD69.ORG

Dear Parent/Guardian of a New Student:

According to Illinois state law, all children must have a physical examination and an up-to-date immunization record upon entrance to school and at the beginning of 6th grade. Failure to comply with this state law is cause for the exclusion of your child from school on October 15, 2022.

The physical exam and immunization record must be completed on the State of Illinois Certificate of Child Health Examination form and signed by a physician, nurse practitioner, or physician assistant. Forms dated on or after August 29, 2021, will be accepted. A chart from the Illinois Department of Public Health listing in detail what immunizations your child needs for school entry is enclosed.

An eye exam is also required for any child enrolling in kindergarten or students that are new to Illinois schools. The eye exam must be turned into school no later than October 15, 2022. An Illinois Eye Exam Report has been included in this packet.

Additionally, a dental exam is required for all Kindergarten, 2nd grade and 6th-grade students. Examinations must be performed by a licensed dentist and they must sign the State of Illinois Proof of School Dental Examination Form. Forms are due by May 15, 2023, and dental examinations must have been completed within the 18 months prior to the May 15 deadline.

The necessary forms are enclosed with this letter. Please return them to your school office as soon as possible. If you have any questions about these forms, please contact your school nurse:
