

HERRON HIGH SCHOOL • HERRON-RIVERSIDE HIGH SCHOOL • HERRON PREPARATORY ACADEMY

Each year, Herron High School grants the opportunity for rising seniors to apply for a Senior Internship. This program allows seniors with at least a 3.0 cumulative GPA and with their graduation requirements in good standing to travel off-campus and gain valuable real-world experience. Herron High School tries to match each senior with an organization that best fits their interests and future plans. Interns are expected to work between 6-9 hours per week, during the school day, with their organization. Time for work and travel is built into the student's schedule for their senior year. The following list is by no means exhaustive, but serves only as a sample of recent internship placements.
