2022-2023 SOURCES OF FINANCIAL AID AT PARK

At Park, we believe that everyone benefits from a diverse community. Beyond differences in backgrounds and cultures, we welcome families from a variety of economic circumstances. The School's financial aid budget is funded through tuition, endowment funds, and other sources of revenue. Over 90 percent of Park families make contributions to the Annual Fund, which also helps support financial assistance. In this way, each Park family makes a commitment to the importance of economic diversity in the School community.
