# LETTER FROM THE DIRECTOR

With fall comes the start of a new school year and a change of seasons. As we prepare for both of these events, I want to take a moment to look back on the past few months. Scarborough Community Services had a very busy summer between coordinating numerous youth camps, overseeing parks maintenance and repairs, beach operations and cleaning, project development, program registration, and hosting several special events. We love this time of year as it challenges our department to strive to be the best. It also allows us time to review and reflect, to see where we may have more capacity to expand service levels or areas where we need to reevaluate operations to ensure we are meeting community expectations.

We look forward to an exciting fall and seeing everyone at programs or enjoying the parks. Remember, our doors are always open to listen to ideas for facility upgrades, suggestions for new programming, or thoughts on how we can improve our overall level of service.

Thank you for your support and enjoy all that Scarborough has to offer!

## Scoop the Poop!

Clean up after your pets and help keep the watershed healthy for humans, fish and wildlife.

Besides being unpleasant to the eyes and nose, pet waste is an environmental pollutant that can cause serious harm to Maine's waterways. A quick rain is all it takes to transfer dog droppings from the ground into our streams, rivers, lakes, and ocean. Pet waste carries bacteria, viruses and parasites that threaten the health of humans and wildlife. By scooping the poop you are removing harmful nutrients and bacteria from local waterways keeping our citizens healthy and our yards and shoes clean.

## Help Stop the Poo-llution!

- Make use of the provided poop bag dispensers at all of our beaches and parks or bring your own. Take multiple bags on walks, just in case.
- Tie the bags shut and dispose in a trash receptacle. Do not drop bags to the side of the trash receptacle, into the trees, or off to the side of a trail.
- Never throw pet poop in a compost pile.
- Educate your children on the importance of picking up after your pets.

## SPONSORSHIP OPPORTUNITIES

Scarborough Community Services works with businesses of all sizes, as well as individuals, to form partnerships through sponsorship and advertising opportunities. With you by our side, we can meet the needs of our growing community in new and engaging ways. Your partnership with us demonstrates that you share our dedication to enhancing the quality of life for all residents.

We have always relied on the generosity of our sponsors to help us offer our popular special events, such as Summerfest, Winterfest, the Easter Egg Hunts, and the Annual 55+ BBQ. We are able to offer these fun public events to our residents at little to no cost while providing the sponsor with name and brand recognition throughout the year.

Our new campaign, called “50 for \$500” seeks 50 local businesses, groups, organizations, or individuals who are just as passionate as us to see these events carry on and grow. If we raise 50 donations of \$500, we are set for an entire year!

### **Annual supporters of Scarborough’s special events will receive the following benefits:**

- Recognition in three annual program brochures.
- Recognition on local cable access channels.
- Mention in local paper ads or articles on special events (when applicable).
- Logo on event promotional material, such as posters.
- Acknowledgment on the Community Services in-office Community Monitor.
- Logo on event sponsor banner, displayed at all events.
- Logo with hyperlink on Community Services website (directs to your website).
