# Policies

## Registration Policy

Community Services accepts registrations in person and through our website. We do not accept registrations via the phone or mail. To continue to maintain the integrity of our programs, registration into activities will be allowed only if an account is in good standing and there is no balance. Exceptions will be made for activities in which installment payments are permitted or monthly fees are charged, such as child care. Community Services reserves the right to deny registration into an activity pending payment of an outstanding balance and the right to deny continuation in a program if installment payments are not made or are returned due to insufficient funds after a specific period of time.

## Non-Resident Fee

Non-residents may register for our programs. An additional \$15 fee will be assessed for most programs. However, some programs may require additional fees. Please see each program for more information.

## Early Registration Discount

Community Services works hard to offer the best prices available for our programs. Because our work becomes labor-intensive the week prior to a program start date, we like to encourage residents to register early by offering early discount prices on certain programs. We hope people will appreciate this and take advantage of these lower prices. *However, this discount incentive is a special offer which cannot be extended if those dates have passed. No exceptions.*

## Late Registrations

All of our programs require a high level of coordination which includes facility scheduling, staffing, volunteer recruitment, team formation, and the purchasing of supplies. There is a point when a program will be cancelled or modified if there are insufficient registrations.

You will also notice that the majority of our programs have registration deadlines. If there is room in a given activity after a deadline has passed, late registrations may be accepted with an additional \$10 late fee assessed; however, children may not be guaranteed a T-shirt, ball, etc.

## Youth Team Request Policy

Community Services understands that one of the best aspects of participating in our programs is the ability to play with friends or have the same coach year after year. However, in an attempt to keep teams balanced, we have updated our request policy.

In programs such as basketball, fall soccer, and indoor soccer, coach or player requests will be limited to **one request per participant**. You may request one coach OR one player. Registrations completed online will also follow this policy. Timely **registrations** allow Community Services the opportunity to balance teams in a fair manner; timely **requests** also help in this process. However, there are many variables that go into the planning process and, even though we do our best, we cannot guarantee that your choice will be honored.

**Grades 5 to 8 Exception:** *In an effort to balance teams fairly, Community Services no longer accepts special requests for Grades 5 to 8 sports (fall soccer, basketball, and indoor soccer).*

(Revised 03-08-2016)

## Sibling Discount Policy<sup>SD</sup>

Look for <sup>SD</sup> next to activities that may be discounted.

### • Youth Recreation Programs

Families with **three or more** children registering for the same Community Services-run recreation program may receive a 10% discount off the third child and any additional children from the same family/household. All participants must be registered at the same time to receive this discount. *Sibling discounts will not be applied for online registrations. To receive this discount, you must register in the Community Services Office.*

### • Child Care

Families with **two or more** children registered for full-time (five days per week) before-school and/or after-school care will receive 10% off the second and/or subsequent child care fees. Discount will be taken off of the lowest child care fee.

## Refunds, Cancellations, and Changes

### Youth and Adult Programs (see 55+ refunds below)

- **Full refund:** If Community Services cancels the activity.
- **Full refund minus \$15 processing fee:** For any cancellation or change made by applicant.
- **No refunds:** If an individual does not attend an activity or does not cancel at least 7 calendar days prior to the start of an activity.

### Health Reasons

If a participant cannot partake in an activity due to medical reasons, a refund will be given if a signed doctor's note is presented to the Community Services staff within the first 48 hours of said injury. If an injury occurs and is reported with a doctor's note before the activity begins, no processing fee will be assessed. If a participant attended some classes, the refund will be prorated for the number of days attended.

### Multiple-Session Programs

When registering for multiple sessions at once, please keep in mind that combined session dates are all inclusive; therefore, should you choose to cancel once the first session begins, no refund will be given for the remaining sessions.

## 55+ Programs Refunds

### • Full refund

If Community Services cancels the activity or trip.

### • No refunds

**Wednesday Lunches:** If an individual does not attend a lunch or does not cancel by the Monday prior by 2:00 pm, the household will be charged and the balance must be paid in full in order to enroll in future lunches or programs.

**Trips:** If an individual cancels a trip or does not attend a trip, no refund will be issued.

## Special Notice Summer Care Closures

- Friday, June 17
- Friday, August 19
- August 22 through 26
- Monday, August 29

In lieu of a traditional interim care, we will be offering a new **Outdoor Adventure Camp Week** from Monday, August 15, through Thursday, August 18. More details on this new offering can be found on Page 8.

For details on the child care schedule during the first week of school (August 30 through September 2), please see Page 22 in the Child Care section of this brochure.

*All closure dates are based on a tentative 2016-17 school calendar. An approved calendar should be available in April on the Scarborough Schools webpage.*

## Early Registration Bonus for Summer Day Camp 2016

Online registrations will be available to those paying in full using a credit or debit card. ## Important Information for 2016 Season

### Deadline Date and Late List Registration

We have set a deadline of July 29 for many reasons, some of which include the need to arrange T-shirts for 800+ kids amongst eight divisions, to get together final rosters for our volunteer coaches, and to develop game schedules for the appropriate amount of teams. However, it is our goal to place every interested child onto a soccer team. After the July 29 deadline, we will accept late list enrollments for divisions with availability. Late list enrollments must be completed online no later than August 12. Special requests will not be accepted during this enrollment period. You will be assessed the \$65 fall soccer fee plus a \$10 late fee. If it is not possible to place your child on a team, we will issue a full refund.

### Changes to Special Request Policy

Beginning in 2016, coach or player requests will be limited to **one request per participant**. You may request one coach OR one player. Registrations completed online will also follow this policy. Timely **registrations** allow Community Services the opportunity to balance teams in a fair manner; timely **requests** also help in this process. However, there are many variables that go into the planning process and, even though we do our best, we cannot guarantee that your choice will be honored. ***Community Services does not accept special requests for Grades 5 to 8 sports.***

### Coaches' Meetings

Coaches' meetings will be held on Tuesday, August 16. Meeting location to be determined. Coaches will receive their rosters with contact information and will be in touch with families shortly thereafter either by phone or email.

### NEW! Sponsor-A-Lightpost at Memorial Park

Honor a birth, anniversary, or the memory of a loved one by purchasing a granite lightpost to be placed along the inner perimeter of beautiful Memorial Park. You will not only be paying tribute to a loved one but will be providing your community with a lifetime of benefits that come from lighting our walkway.

Please complete the Sponsor-A-Lightpost form (available on our website under *Community Information*) and return to the Community Services Office in the Scarborough Municipal Building with payment of \$500. Payment may be made in the form of cash, check, or debit card.

*Please note that this project will commence once proper funding is in place (i.e., after we receive a certain number of applications).*

## Mosquito Control

We are hoping to once again offer dragonfly nymphs for sale this spring or early summer as a way for homeowners to combat mosquitos naturally. Please keep an eye on our website and Facebook page for updates, including the order form and prices:

## New Outdoor Amenities

### Pickleball Courts

The Town of Scarborough now has several new outdoor pickleball courts available for public use. Two courts are located at the Blue Point tennis courts off of Pine Point Road. Two more courts are available at the basketball courts across from the public library (these courts require you to bring your own nets).

### Horseshoe Pits

Located between the outdoor tennis courts and Wentworth School, there are now two horseshoe pits, as well as a few picnic tables for your use. Horseshoe sets may be checked out at no cost with the Intergenerational Programs Office, located within Wentworth School.

### Cornhole Game Set

A newly-purchased cornhole game set is now available to borrow from the Intergenerational Programs Office. This is a popular lawn game in which players take turns throwing bean bags at a raised platform with a hole in the far end. A bag in the hole scores three points, while one on the platform scores 1 point.

**If you have any questions, please feel free to give us a call at 730-4150. If you are interested in borrowing any of the game sets, please call 730-4170.**

## Sponsorship and Benefactor Information

### What does Community Services use sponsorship money and donations for?

When businesses provide monetary donations, it is deposited into our Special Events account which is used to fund free family-friendly events throughout the year. When businesses donate items, such as gift certificates, services, tickets, coupons for free food or activities, gift baskets, or gift items, we offer these as prizes through raffles or silent auctions. This enables Community Services to generate money for future activities and events throughout the year.

### How can the community help?

Local businesses, organizations, families, and individuals are welcome to donate items throughout the year to Community Services. We accept help from volunteers at all of our events (as needed) and we are always looking for gift certificates in small amounts, candy, coupons for free food or activities, and small trinkets (pencils, stickers, toys). These items are given out to children as prizes at some of our yearly events.

*If you are interested in donating to our special events, please contact Community Services at 730-4150.*

Be sure to visit our website for  
any additional programs or  
changes to programs that did not  
make it into the brochure!
