Recreation Advisory Board

The Community Services and Recreation Advisory Board advises the Town Council on matters pertaining to the planning, developing, financing, and implementation of Community Services recreational programs and facilities for the benefit of the residents of Scarborough.

Meetings are held quarterly at 6:00 pm. Residents are invited and encouraged to attend these meetings. Anyone wishing to present a topic for discussion should call 207-730-4150.

.....

Seniors Program Advisory Board

The Seniors Program Advisory Board provides directional advice for development of seniors programs and services to the Seniors Program Coordinator. The Board meets to discuss the planning, development, and implementation of senior programs, taking into consideration the monthly volunteer committee reports presented to the Board by the Seniors Program Coordinator. They review the budget at all meetings and they conduct periodic reviews of Senior Center Without Walls programs and services using data such as attendance records, cost analysis, and program evaluations.

The Senior Advisory Board meets the third Tuesday of each month at 8:15 am in the Town Manager's Conference Room. Residents are invited and encouraged to attend these meetings. Anyone wishing to present a topic for discussion should call 207-730-4150.

Policies

Registration Policy

Community Services accepts registrations in person and through our website. We do not accept registrations via the phone or mail. To continue to maintain the integrity of our programs, registration into activities will be allowed only if the account is in good standing and there is no balance. Exceptions will be made for activities in which installment payments are permitted or monthly fees are charged, such as child care. Community Services reserves the right to deny registration into an activity pending payment of an outstanding balance and the right to deny continuation in a program if installment payments are not made or are returned due to insufficient funds after an appropriate period.

Non-Resident Fee

Non-residents may register for our programs. An additional \$15 fee will be assessed for most programs. However, some programs may require additional fees. Please see each program for more information.

Early Registration Discount

Community Services works hard to offer the best prices available for our programs. Because our work becomes labor-intensive the week prior to a program start date, we like to encourage residents to register early by offering early discount prices on certain programs. We hope people will appreciate this and take advantage of these lower prices. *However, this discount incentive is a special offer which cannot be extended if those dates have passed. No exceptions.*

Late Registrations

All of our programs require a high level of coordination which includes facility scheduling, staffing, volunteer recruitment, team formation, and the purchasing of supplies. There is a point when a program will be cancelled or modified if there are insufficient registrations.

You will also notice that the majority of our programs have registration deadlines. If there is room in a given activity after a deadline has passed, late registrations may be accepted with an additional \$10 late fee assessed; however, children may not be guaranteed a T-shirt, ball, etc.

Sibling Discount Policy^{SD}

Look for ^{SD} next to activities that may be discounted.

• Youth Recreation Programs

Families with **three or more** children registering for the same Community Services-run recreation program may receive a 10% discount off the third child and any additional children from the same family/household. All participants must be registered at the same time to receive this discount. *Sibling discounts will not be applied for online registrations. To receive this discount, you must register in the Community Services Office.*

• Child Care

Families with **two or more** children registered for full-time (five days per week) before-school and/or after-school care will receive 10% off the second and/or subsequent child care fees. Discount will be taken off of the lowest child care fee.

Youth Team Request Policy

Community Services understands that one of the best aspects of participating in our programs is the ability to play with friends or have the same coach year after year. However, in an attempt to keep teams balanced, we have instituted the following policy.

In programs such as basketball, fall soccer, and indoor soccer, coach and player requests will be limited to **two requests per participant**. You may request one coach and one player, or you may request two players. Timely **registrations** allow Community Services the opportunity to balance teams in a fair manner; timely **requests** also help in this process. However, there are many variables that go into the planning process and, even though we do our best, we cannot guarantee that your choice will be honored.

Refunds, Cancellations, and Changes

Youth and Adult Programs *(see 55+ refunds below)*

- **100% refund:** If Community Services cancels the activity.
- **\$15 processing fee:** For any cancellation or change made by applicant.
- **No refunds:** If an individual does not attend an activity or does not cancel at least seven calendar days prior to the start of an activity.

Health Reasons

If a participant cannot partake in an activity due to medical reasons, a refund will be given if a signed doctor's note is presented to the Community Services staff within the first 48 hours of said injury. If an injury occurs and is reported with a doctor's note before the activity begins, no processing fee will be assessed. If a participant attended some classes, the refund will be prorated for the number of days attended.

Multiple-Session Programs

When registering for multiple sessions at once, please keep in mind that combined session dates are all inclusive; therefore, should you choose to cancel once the first session begins, no refund will be given for the remaining sessions.

55+ Programs Refunds

• 100% refund

If Community Services cancels the activity or trip.

• No refunds

Wednesday Lunches: If an individual does not attend a lunch or does not cancel by the Monday prior by 2:00 pm, the household will be charged and the balance must be paid in full in order to enroll in future programs

Trips: If an individual cancels a trip or does not attend a trip, no refund will be issued.

Scarborough Community Services Child Care welcomes all Scarborough school-age children to our before- and after-school program. We offer care for children in Kindergarten through Grade 8, all conveniently located in your child's school. Our mission is to promote the physical, mental, social, and emotional development of each child by providing a high-quality child care program. This program enriches the experiences of children as we view the home, school, community, and child care settings as complementary and interrelated domains that affect children's growth and development. It includes a nutritious snack every day, outside play or indoor physical activity, crafts, special projects, and quiet times.

We are a non-profit state-licensed program, complying with all the rules for the licensing of Child Care facilities established by the State of Maine.

The following information is designed to give you a more in-depth look at our program. We welcome and encourage you and your child/ren to visit any of our child care sites prior to registering.

First-Come, First-Served Basis

Limited space is available at each child care site. All registrations are accepted on a first-come, first-served basis.

Waiting Lists

Once your school site has been filled, your child may be placed on a waiting list. We will notify you once an opening has become available.

Other Info

- **School-Age Child Care Program (Grades K to 5):** A minimum of two days per week is required. See next page for fee chart.
- **Club Teen (Grades 6 to 8):** Regardless of the number of days needed, only one option is available -- a monthly fee of \$250 per child.
- If you register your child after the start of the 2014 school year, please allow three business days for processing of the application. **It is the parent's responsibility to contact your child's school to let them know that your child will be attending the program.**
- We do not offer any hourly rates.
- Please understand that our school-age child care program is self-supporting and we therefore expect payment for the requested days regardless of whether your child or children attend and regardless of the reason for their absence.
- ***Any unpaid child care fees will affect your ability to register for any other Community Services programs in the future until fully paid.***
- Scholarships may be available based upon financial need. Please request information from the Community Services Office located in the Municipal Building.

Payment Options and Protocol

Payment for child care may be made one of two ways: (1) Pay in full; or (2) Pay on a monthly or bi-monthly basis. Both payment options require a non-refundable registration fee and a completed EFT form upon registration. Payment will include care for 10 months -- September through June until our eight-week Summer Day Camp begins.

1. Pay in Full

When you register, you will pay the registration fee only; however, the full year child care amount will be invoiced and due separately no later than Friday, August 29. If you pay in full by this deadline date, you will receive one month FREE. At the time of registration, however, we will ask you to complete an EFT form. If you do not pay in full by August 29, then the EFT will be activated and you will then be on the monthly or bi-monthly payment system. **Note:** With the pay-in-full option, no refunds will be issued for unused service.

2. Monthly or Bi-Monthly Payments via EFT

You will be asked to complete an Electronic Funds Transfer (EFT) form at the time of registration. Payments will then be withdrawn once a month (on the 5th of the month) or bi-monthly (on the 5th and 19th of each month) for the months of September through June. The EFT form is available online, in the Community Services Office, and in the Child Care Program Handbook.

Insufficient Funds

If we receive an "insufficient funds" notice from your bank, we will NOT be making any second attempt to collect from your account on file. A \$25 fee will be added to your current monthly child care balance. We will then contact you and you will be responsible for paying the total within 48 hours. If we do not receive payment within that time frame, unfortunately we may be obligated to terminate child care services at the end of that week. Additionally, if we receive an "insufficient funds" notice a total of three times during the year, termination of care will be likely.

Receipts

Once payments have been posted to household accounts, a receipt may be emailed to you upon request or you may access it online using your user name and password.

Mid-Month Registrations

Should you register in the middle of the month, your bill will be pro-rated for that partial month and payment will be due at time of registration along with the registration fee. EFT payment will begin during the next month's billing.

Withdrawal from Program

A one-month written notice must be provided prior to withdrawing your child from our program. If you fail to give proper notice, you will continue to be billed for that time and payment will be expected. Please remember it is your responsibility to notify us appropriately so you will not have to pay for services not used.

What does Community Services use sponsorship money and donations for?

When businesses provide monetary donations, it is deposited into our Special Events account which is used to fund free family-friendly events throughout the year. When businesses donate items, such as gift certificates, services, tickets, coupons for free food or activities, gift baskets, or gift items, we offer these as prizes through raffles or silent auctions. This enables Community Services to generate money for future activities and events throughout the year.

How can the community help?

Local businesses, organizations, families, and individuals are welcome to donate items throughout the year to Community Services. We accept help from volunteers at all of our events (as needed) and we are always looking for gift certificates in small amounts, candy, coupons for free food or activities, and small trinkets (pencils, stickers, toys). These items are given out to children as prizes at some of our yearly events.

*If you are interested in donating to our special events,
please contact Community Services at 730-4150.*
