Policies

Registration Policy

Community Services accepts registrations in person and through our website. We do not accept registrations via the phone or mail. To continue to maintain the integrity of our programs, registration into activities will be allowed only if an account is in good standing and there is no balance. Exceptions will be made for activities in which installment payments are permitted or monthly fees are charged, such as child care. Community Services reserves the right to deny registration into an activity pending payment of an outstanding balance and the right to deny continuation in a program if installment payments are not made or are returned due to insufficient funds after an appropriate period of time.

Non-Resident Fee

Non-residents may register for our programs. An additional \$15 fee will be assessed for most programs. However, some programs may require additional fees. Please see each program for more information.

Early Registration Discount

Community Services works hard to offer the best prices available for our programs. Because our work becomes labor-intensive the week prior to a program start date, we like to encourage residents to register early by offering early discount prices on certain programs. We hope people will appreciate this and take advantage of these lower prices. *However, this discount incentive is a special offer which cannot be extended if those dates have passed. No exceptions.*

Late Registrations

All of our programs require a high level of coordination which includes facility scheduling, staffing, volunteer recruitment, team formation, and the purchasing of supplies. There is a point when a program will be cancelled or modified if there are insufficient registrations.

You will also notice that the majority of our programs have registration deadlines. If there is room in a given activity after a deadline has passed, late registrations may be accepted with an additional \$10 late fee assessed; however, children may not be guaranteed a T-shirt, ball, etc.

Sibling Discount Policy^{SD}

Look for ^{SD} next to activities that may be discounted.

• Youth Recreation Programs

Families with **three or more** children registering for the same Community Services-run recreation program may receive a 10% discount off the third child and any additional children from the same family/household. All participants must be registered at the same time to receive this discount. *Sibling discounts will not be applied for online registrations. To receive this discount, you must register in the Community Services Office.*

• Child Care

Families with **two or more** children registered for full-time (five days per week) before-school and/or after-school care will receive 10% off the second and/or subsequent child care fees. Discount will be taken off of the lowest child care fee.

Youth Team Request Policy *

Community Services understands that one of the best aspects of participating in our programs is the ability to play with friends or have the same coach year after year. However, in an attempt to keep teams balanced, we have instituted the following policy.

In programs such as basketball, fall soccer, and indoor soccer, coach and player requests will be limited to **two requests per participant**. You may request one coach and one player, or you may request two players. Timely **registrations** allow Community Services the opportunity to balance teams in a fair manner; timely **requests** also help in this process. However, there are many variables that go into the planning process and, even though we do our best, we cannot guarantee that your choice will be honored.

** Grades 5 to 8 Exception: In an effort to balance teams fairly, Community Services no longer accepts special requests for Grades 5 to 8 sports (fall soccer, basketball, and indoor soccer).*

Refunds, Cancellations, and Changes

Youth and Adult Programs (see 55+ refunds below)

- **Full refund:** If Community Services cancels the activity.
- **Full refund minus \$15 processing fee:** For any cancellation or change made by applicant.
- **No refunds:** If an individual does not attend an activity or does not cancel at least 7 calendar days prior to the start of an activity.

Health Reasons

If a participant cannot partake in an activity due to medical reasons, a refund will be given if a signed doctor's note is presented to the Community Services staff within the first 48 hours of said injury. If an injury occurs and is reported with a doctor's note before the activity begins, no processing fee will be assessed. If a participant attended some classes, the refund will be prorated for the number of days attended.

Multiple-Session Programs

When registering for multiple sessions at once, please keep in mind that combined session dates are all inclusive; therefore, should you choose to cancel once the first session begins, no refund will be given for the remaining sessions.

55+ Programs Refunds

• Full refund

If Community Services cancels the activity or trip.

• No refunds

Wednesday Lunches: If an individual does not attend a lunch or does not cancel by the Monday prior by 2:00 pm, the household will be charged and the balance must be paid in full in order to enroll in future lunches or programs.

Trips: If an individual cancels a trip or does not attend a trip, no refund will be issued.

What does Community Services use sponsorship money and donations for?

When businesses provide monetary donations, it is deposited into our Special Events account which is used to fund free family-friendly events throughout the year. When businesses donate items, such as gift certificates, services, tickets, coupons for free food or activities, gift baskets, or gift items, we offer these as prizes through raffles or silent auctions. This enables Community Services to generate money for future activities and events throughout the year.

How can the community help?

Local businesses, organizations, families, and individuals are welcome to donate items throughout the year to Community Services. We accept help from volunteers at all of our events (as needed) and we are always looking for gift certificates in small amounts, candy, coupons for free food or activities, and small trinkets (pencils, stickers, toys). These items are given out to children as prizes at some of our yearly events.

*If you are interested in donating to our special events,
please contact Community Services at 730-4150.*
