LETTER FROM THE DIRECTOR

Todd Souza, Director of Community Services

On behalf of the entire Community Services team, thank you for your support and dedication. Our goal is to encourage healthy lifestyles through a combination of quality programming, modern equipment, well maintained facilities and community partnerships.

Scarborough Community Services is committed to offering programs for the entire family and operating facilities that support the recreational needs of our community. Some fantastic new items on the horizon include finishing the first phase of our outdoor community gaming area in Memorial Park, which will include permanent corn hole sets, two chess/checkers tables, two pickleball courts, and a bocce court. We are beginning to offer seasonal group trips open to all age levels, like our upcoming Red Sox game in September. We are also working diligently towards a new sponsorship program that will usher in a variety of opportunities for local businesses, organizations, and individuals to contribute towards their community.

If you have an idea for a new program, please feel free to talk to our staff and share your ideas with them. We are always looking for new programs and opportunities to meet the challenge of our growing community.

Thank you again for your support!

Todd Souza, C.P.R.P.

Registration Deadline: 07/27

IMPORTANT INFORMATION

Deadline Date and Waitlist Registration

We have set a deadline of July 27 for many reasons, some of which include the need to arrange T-shirts for 800+ kids amongst eight divisions, to get together final rosters for our volunteer coaches, and to develop game schedules for the appropriate amount of teams. However, it is our goal to place every interested child onto a soccer team. After the July 27 deadline, we will accept waitlist enrollments for divisions with availability. **Waitlist enrollments must be completed online no later than August 3.** Special requests will not be accepted during this enrollment period. You will be assessed the \$65 fall soccer fee plus a \$10 late fee. If it is not possible to place your child on a team, we will issue a full refund.

Special Request Policy

Coach and/or player requests are limited to **one request per participant**. You may request one coach OR one player. Registrations completed online will also follow this policy. Timely registrations allow Community Services the opportunity to balance teams in a fair manner; timely requests also help in this process. However, there are many variables that go into the planning process and, even though we do our best, we cannot guarantee that your choice will be honored. **Community Services does not accept special requests for Grades 5 to 8 sports.**

Coaches' Meetings

Coaches' meetings will be held the week of August 13. Meeting location to be determined. Coaches will receive their rosters with contact information and will be in touch with families shortly thereafter either by phone or email.

IMPORTANT!

Please make sure your email addresses are updated upon registration as most communication regarding Fall Soccer, either from Community Services or from coaches, will go through email versus a phone call.

2018-19 Child Care Registration Re-Opens April 9

Registration for the 2018-19 before-school and after-school child care programs began March 12 and was based on the new proposed start times set to begin August 2018. However, due to the possibility that these start times would change, we decided to suspend registration as of Friday, March 16, until a decision was made.

As of Monday, March 26, the decision was made on the start times for the 2018-19 school year and times have been adjusted. Those already registered have until April 8 to make their schedule changes based on the new school schedule. At that point, we will know how many spaces at each site are still available. New registrations will need to be completed in person and are accepted on a first-come, first-served basis based on school site availability.

Registration Process for 2018-19

- Registration must be completed in person in the Community Services Office at Town Hall. When you stop by the Community Services Office to register, we will update all of your household and family member information in our system and have you sign a few waivers. All paperwork will print out at the time of registration.
- A non-refundable registration fee of \$100 will be expected upon registration.
- NEW this year, we will no longer be processing EFT forms for payment plans. When you come to register, please be sure to bring the credit or debit card you would like your monthly or bi-monthly payments to be withdrawn from. Only one card is permitted per child (we cannot split one child's fees between two cards).
- Registrations are accepted on a first-come, first-served basis. Unless you have been notified that you have been placed on a waiting list, you are guaranteed a spot in the Child Care or Club Teen program.
- There is a three-day waiting period (business days) if registering any time after the first day of school in September.
- Waiting lists for spots will be started and maintained as necessary for each site. Participants will be notified if they have been placed on a waiting list within one week of registering for the program.

Love the Red Sox but hate figuring out where to park in Boston? Leave the planning to us! We have purchased 54 tickets to the Boston Red Sox vs. the Houston Astros game (reigning World Champions!) on Saturday, September 8, and we are offering them to the public as a package with transportation.

We will board a coach bus at 11:00 am as to give everyone some extra time ahead of the game to explore Boston. The game begins at 4:05 pm, getting us back into Scarborough around 10:30 pm (depending on the game end time).

Tickets are located in the Right Field Box, Rows G-M -- these are right on the field and next to the bullpen! Trip price includes coach transportation to and from game, driver gratuity, and ticket to game. **Purchase four or more spots and get \$5 off each person!**

SPONSORSHIP OPPORTUNITIES

NEW OPPORTUNITIES COMING SOON!

Scarborough Community Services has always relied on the generosity of local businesses, organizations, and individuals to help us offer our popular special events, such as SummerFest, WinterFest, the Easter Egg Hunts, and the Annual 55+ BBQ. Through sponsorships we are able to offer these fun public events to our residents at little to no cost while providing the sponsor with name and brand recognition throughout the year.

But we are so much bigger than special events! While we will continue to offer these events and seek support for them, we are also in the process of reworking our sponsorship program in order to expand the opportunities we have available.

Want to sponsor a kid in our fall soccer or basketball program? Maybe send a local child to summer camp? Would you be interested in sponsoring an entire sports program (i.e., T-shirts with your logo for every participant)? How about an advertisement in our upcoming brochures, which get mailed to our 55+ Program members three times a year and are available in our office and online to all residents? Or maybe sponsoring our Senior Activity Center's complimentary snacks?

Our hope is to have this new plan in place at the beginning of 2019, so if you have another idea for a sponsorship opportunity, let us know!

For more information on current or upcoming opportunities, please contact Nicole Hall at 207-730-4158.

The background of the entire page is a vibrant, abstract composition of thick, expressive brushstrokes. The primary colors are a bright teal and a warm, burnt orange. The strokes are layered and overlapping, creating a sense of movement and depth. Some strokes are straight and bold, while others are more fluid and curved. The overall effect is a modern, artistic, and energetic visual field.
