

Dear Families,

Here is what your child is learning in Kindergarten, during our unit, "Rules and Responsibilities" with some specific ways you can help. Look for additional newsletters for upcoming units.

RULES AND RESPONSIBILITIES

Children need to be able to:

- Discuss and explain why rules and social skills are important in the classroom and school
- Describe and demonstrate responsibilities of students in school

KEY VOCABULARY

Rules - statements that tell you what you should or should not do in a specific situation

Responsibility - a duty or expectation to take care of something

Respect - a polite attitude shown toward people, animals, yourself, objects, or ideas

School Members: Principal, Assistant

WAYS FAMILIES CAN HELP

- Involve children in making rules for the family
- Involve children in making a chart of chores or
