RE: Reminder – Resolution for Membership

The League office has received your activity registration for the 2012-13 school year, but as of today's date, we have not received your membership resolution. **Please note the due date of September 1.**

If the form is not received by the above date, a \$250 late fee will be assessed. No school is eligible to compete in post-season tournaments unless the Resolution for Membership is on file in the League office.

Your Resolution enables students in your school to:

- participate in all MSHSL state tournaments;
- be covered by the League's catastrophic insurance plan if an injury occurs;
- be represented in eligibility decisions and to be represented by your school in providing input regarding League issues; and
- be represented by your voice at ALL section, region and state association meetings.

Unless your Resolution for Membership form is received, none of the above will be afforded to your school and your students.

Sometimes forms are misplaced by your office or at the League office. Therefore, I've sent another membership form to your attention.

1. If your board has already taken action regarding League membership, please complete the application and return it to my attention immediately.
2. If your board has not yet taken action, please have them do so immediately and fax (763-569-0499) or send the Resolution to my attention as soon as possible.
3. If your school will **not** join the League for the 2012-13 school year, please let me know that information as soon as possible.

Again, your students will not be covered by insurance, nor will they be allowed to participate in League-sponsored tournaments if your school is not a current member of the Minnesota State High School League.

Please call me if you have any questions about the above information.
