- A. Non-selected Suppliers will have three (3) business days from the date the notice is posted to file a formal bid protest with WCRESA Administrator or the designee.
- B. The bid protest, which must be received by WCRESA Administrator or designee within the three (3) day period, shall be in writing, and include the specific facts, circumstances, reasons and/or basis for the protest. This written notice may be in the form of a letter, fax or email.

4. Upon receipt of notice of default from WCRESA, the Supplier shall immediately correct such default. In the event the Supplier fails to correct the default to the satisfaction of WCRESA, WCRESA shall have all rights accorded by law, including the right to immediately terminate the Agreement. J. Financing Option

NOT APPLICABLE

K. Survival Clause

All duties and responsibilities of any party that, either expressly or by their nature, extend into the future, shall extend beyond and survive the end of the Contract Term or cancellation of this Agreement.

L. Force Majeure

Timely performance is essential to the successful implementation and ongoing operation of the project described herein. Time is of the essence. However, neither party shall be liable for any loss or damage suffered by the other party, directly or indirectly, as a result of the first party's failure to perform, or delay in performing, any of its obligations contained in this Agreement (except any obligations to make payments hereunder), where such failure or delay is caused by circumstances beyond the first party's control or which make performance commercially impracticable, including but not limited to, fire, flood, storm or other natural disaster, explosion, accident, war, riot, civil disorder, governmental regulations or restrictions of any kind or any acts of any government, judicial action, power failure, acts of God or other natural circumstances.

M. Non-Waiver of Agreement Rights

It is the option of any party to the Agreement to grant extensions or provide flexibilities to the other party in meeting scheduled tasks or responsibilities defined in the Agreement. Under no circumstances, however, shall any parties to the Agreement forfeit or cancel any right presented in the Agreement by delaying or failing to exercise the right or by not immediately and promptly notifying the other party in the event of a default. In the event that a party to the Agreement waives a right, this does not indicate a waiver of the ability of the party to, at a subsequent time, enforce the right. The payment of funds to the Supplier by WCRESA should in no way be interpreted as acceptance of the system or the waiver of performance requirements.

N. Patents, Copyrights and Proprietary Rights

The Supplier, at its own expense, shall completely and entirely defend WCRESA from any claim or suit brought against WCRESA arising from claims of violation of United States patents or copyrights resulting from the Supplier or WCRESA use of any equipment, technology, documentation, and/or data developed in connection with the services and products described in this Agreement. WCRESA will provide the Supplier with a written notice of any such claim or suit. WCRESA will also assist the Supplier, in all reasonable ways, in the preparation of information helpful to the Supplier in defending WCRESA against this suit. WCRESA retains the right to offset any amounts owed to Supplier in defending itself against claim. Following written notification of an infringement claim, Supplier may, at its expense and its discretion, either (a) procure for WCRESA the right to continue to use the alleged infringing product, (b) replace, modify or provide substitute product to WCRESA or (c) return all monies paid WCRESA under the terms of the Agreement.

O. Nondiscrimination by Suppliers or Agents of Suppliers

Neither the Supplier nor anyone with whom the Supplier shall contract shall discriminate against any person employed or applying for employment concerning the performance of the Supplier responsibilities under this Agreement. This discrimination prohibition shall apply to all matters of initial employment, tenure and terms of employment, or otherwise with respect to any matter directly or indirectly relating to employment concerning race, color, sex, religion, age, national origin, or ancestry. A breach of this covenant may be regarded as a default by the Vendor of this Agreement.

P. Subcontractors

When using any subcontractors not stated in the Supplier's response to the RFP, the Supplier must obtain written prior approval from WCRESA for activities or duties to take place at WCRESA's site. In using subcontractors, the Supplier agrees to be responsible for all their acts and omissions to the same extent as if the subcontractors were employees of the Supplier.

Q. Effect of Regulation

Should any local, state, or national regulatory authority having jurisdiction over WCRESA enter a valid and enforceable order upon WCRESA which has the effect of changing or superseding any term or condition of this Agreement, such order shall be complied with, but only so long as such order remains in effect and only to the extent actually necessary under the law. In such event, this Agreement shall remain in effect, unless the effect of the order is to deprive WCRESA of a material part of its Agreement with the Supplier. In the event this order results in depriving WCRESA of materials or raising their costs beyond that defined in this Agreement, WCRESA shall have the right to rescind all or part of this Agreement (if such a rescission is practical) or to end the Agreement term upon thirty (30) days written prior notice to the Supplier. Should the Agreement be terminated under such circumstances, WCRESA shall be absolved of all penalties and financial assessments related to cancellation of the Agreement.

R. Assignments

WCRESA and Supplier each binds themselves, their partners, agents, successors, those working in concert with them in any capacity, and other legal representatives to all covenants, agreements, and obligations contained in this Agreement.

S. Supplier as Independent Contractor

It is expressly agreed that Supplier is not an agent of WCRESA but an independent contractor. The Supplier shall not pledge or attempt to pledge the credit of WCRESA or in any other way attempt to bind WCRESA.

T. Non-Collusion Covenant

Supplier hereby represents and agrees that it will not and has in no way entered into any contingent fee arrangement with any firm or person concerning the obtaining of this Agreement. Supplier certifies that their Proposal is made without any previous understanding, agreement or connection with any person, firm or corporation making a Proposal for the same services and is in all respects fair, without outside control, collusion, fraud or otherwise illegal action.

U. Advertisement

The laws of the State of Michigan, WCRESA purchasing policies and the legal advertisement for contractors and purchases, are made a part of any agreement entered into the same respect as if specifically set forth in that agreement.

The Burger Baylor Campus was built in 1991 and has approximately 108,000 sq. ft. - d. Severability: If any provision of the Agreement will be held by a court of competent jurisdiction to be contrary to law, the remaining provisions of the Agreement will remain in full force and effect.
- e. Waiver: No term or provision hereof will be deemed waived and no breach excused unless such waiver or consent will be in writing and signed by the Party claimed to have waived or consented.
- f. Counterparts: Delivery by Facsimile or Email: This Agreement may be executed in one or more counterparts, all of which, taken together, will constitute one instrument. Any signature page delivered via facsimile or email will be binding to the same extent as an original signature page.

No amendment, supplements, modification or waiver of this Agreement will be binding unless it is set forth in a written document signed by the Parties hereto. No waiver of any of the provisions of this Agreement will be deemed or will constitute a waiver of any other provision (whether or not similar) nor will such waiver constitute a continuing waiver unless otherwise expressly provided in a written document signed by the Parties hereto.
- h. Force Majeure: No Party hereto shall be required to perform any obligation hereunder that is directly or indirectly prevented by delays of vendors or supplies, strikes, lockouts, fires, labor disputes, floods, accidents, war, orders or decrees of any court or other governmental authority, or any other causes whatsoever beyond the reasonable control of such Party, and the time for performance thereof will be extended by the number of days such performance is so prevented; provided, however, that the Party so prevented from performing will use its reasonable best efforts to remedy the cause or causes preventing it from performing.

IN WITNESS WHEREOF, the Parties have caused this Agreement to be executed by their undersigned duly authorized representatives as of this date first set forth above.
