Part III: Student and Parent Signatures

My signature below verifies that I have met the requirements and understand that it is my responsibility to:

- attend New Student Orientation through Carroll Community College.
- contact the school office on a regular basis to find out about senior activities and deadlines.
- be responsible for my own transportation.
- seek the assistance of school administrators in resolving schedule conflicts, which may arise due to unusual circumstances.
- purchase required textbooks/materials at the College.

I further agree to:

- allow the College to share my status/grades with the home school counselor and other school personnel as appropriate.
- keep my school counselor informed of any changes that occur to this approved plan.

If I am 18 years old or older, in no event shall the Board of Education of Carroll County, its agents, or its employees be held responsible for any injury that may befall me or a third party during my participation in such events taking place off of school property, or in transportation to and from such events. Teachers of the College courses taught at my high school are hired by Carroll Community College to teach this course. All expectations and procedures of the College shall be enforced. Dual enrollment courses will not be given a grade on the report card at the "marking period." I understand that the final grade earned in my dual enrollment class will determine my academic eligibility status.

My signature below verifies that I approve of this plan for my child, and I agree that:

- My son/daughter will attend the Carroll Community College New Student Orientation.
- We are responsible for purchasing required textbooks/materials at the College.
- We are responsible for the student's transportation.
- The College will share my son/daughter's enrollment status and grades with the home school counselor and other school personnel as appropriate.

I recognize that college courses being taught at my son/daughter's high school are taught by high school teachers, but for dual enrollment, they are working as adjuncts for the College. All expectations and procedures of the College shall be enforced.

I further understand that if my child withdraws from a college course after the refund period defined by the College, I will be assessed a \$25.00 fee per course as an obligation to CCPS.
