#### Welcome: From the Director of Administration and Academics

Dear Marple Newtown School District Elementary School Families,

I am honored to have the privilege of writing the introduction to Marple Newtown School District's elementary school handbook.

MNSD places a high value on the home and school partnerships for the support they provide our students and school community. Your support at-home and of our schools is a necessary component to the long-term success of our students' achievement. We welcome your participation in the extra-curricular activities at your school and encourage you to take part in your school's Parent Teacher Organization (PTO).

Few examples come to mind that would better illustrate what is possible when our community works together in the interest of our students and school than how our teachers and you, our families, managed to deliver learning during the 2020 - 2021 school year. We were challenged to learn new skills, make unexpected changes to our lives, and operate beyond our comfort zone to provide our students with what they needed. The work was not always easy, but it shows what is possible when we work together.

We recognize that there is a greater than usual importance to our work this year. As productive as our students' learning may have been, even better than one might have expected, we know that some of our students will need a little more support this year. MNSD's plan to close any gaps that may have arisen includes a series of benchmark assessments to help us measure and monitor our students' progress and will inform programming for individual students. Our teachers and administrative teams have been hard at work planning strategies and implementing practices to support any learning loss that might have occurred. Information about MNSD's plan to support learning will be provided throughout the school year.

The COVID 19 pandemic made clear the need for alternative educational programming to support some of our students and families. To fill this need, MNSD is offering a virtual option to our students through MNConnectED, powered by Edmentum<sup>TM</sup>. MNConnectED includes a complete program of elementary school core courses and electives. MNSD students will work with a certified teacher provided by MNConnectED who will guide them through their program as their teacher of record.

If you are new to MNSD, you will quickly sense the energy and excitement that fills our classrooms and halls. For those returning, you are aware of the "Tiger Pride" that inspires our work and community in our schools. Our students thrive in the learning environments our compassionate teachers, staff, and administrative teams provide. The results of our collective efforts are evident in our students' academic performance and the smiles and laughter we hear each day in our classrooms and halls.

Many of the traditions, celebrations, and daily interactions synonymous with our schools will return this year. At the time of this writing, in July 2021, masks will be optional for students in Kindergarten through 5th grades and social distancing requirements have been lifted.

This year both breakfast and lunch will be offered to students free of charge. Breakfast will be available for all students, free of charge, before the school day begins in our cafeterias under the supervision of District staff.

Students will begin their school day in a classroom meeting where they will set learning expectations; nurture a positive learning climate; develop and strengthen both intra- and interpersonal skills; as well as celebrate individual student accomplishments.

Our schools and District will communicate with families using various mediums. You will hear from your child's school and our District via electronic communication and /or hard copy documents, phone calls, conferences, and, of course, zoom meetings where appropriate. We are always available to answer your questions about our schools. I encourage you to reach out to your child's teacher for matters relating to your child's learning; your child's Principal to learn about your child's school, vision, and operations; and any member of our District offices for questions about MNSD policy.

I am excited for this school year and look forward to serving the MNSD community. Feel free to contact me with any questions, as I am happy to help.

Sincerely, Joel DiBartolomeo, Ed.D. Director of Administration and Academics jdibartolomeo@mnsd.org

#### FAMILY EDUCATIONAL RIGHTS AND PRIVACY ACT (FERPA)

The Family Educational Rights and Privacy Act (FERPA) (20 U.S.C. § 1232g; 34 CFR Part 99) is a Federal law that protects the privacy of student education records. The law applies to all schools that receive funds under an applicable program of the U.S. Department of Education.

FERPA gives parents certain rights with respect to their children's education records. These rights transfer to the student when he or she reaches the age of 18 or attends a school beyond the high school level. Students to whom the rights have transferred are "eligible students."

- families or eligible students have the right to inspect and review the student's education records maintained by the school.
   Schools are not required to provide copies of records unless, for reasons such as great distance, it is impossible for parents or eligible students to review the records. Schools may charge a fee for copies.
- families or eligible students have the right to request that a school correct records which they believe to be inaccurate or misleading. If the school decides not to amend the record, the parent or eligible student then has the right to a formal hearing. After the hearing, if the school still decides not to amend the record, the parent or eligible student has the right to place a statement with the record setting forth his or her view about the contested information.
- Generally, schools must have written permission from the parent or eligible student in order to release any information from a student's education record. However, FERPA allows schools to disclose those records, without consent, to the following parties or under the following conditions (34 CFR § 99.31):
  - School officials with legitimate educational interest;
  - Other schools to which a student is transferring;
  - Specified officials for audit or evaluation purposes;
  - Appropriate parties in connection with financial aid to a student;
  - Organizations conducting certain studies for or on behalf of the school;
  - Accrediting organizations;
  - To comply with a judicial order or lawfully issued subpoena;
  - Appropriate officials in cases of health and safety emergencies; and
  - State and local authorities, within a juvenile justice system, pursuant to specific State law.

Schools may disclose, without consent, "directory" information such as a student's name, address, telephone number, date and place of birth, honors and awards, and dates of attendance. However, schools must tell parents and eligible students about directory information and allow parents and eligible students a reasonable amount of time to request that the school not disclose directory information about them. Schools must notify parents and eligible students annually of their rights under FERPA.

Please refer to the web site @http://www.ed.gov/offices/OII/fpco/ferpa/index.html

#### PROTECTED HANDICAPPED STUDENTS

In compliance with state and federal law, Marple Newtown School District will provide to those students who qualify as a protected handicapped student, without discrimination or cost to the student or family, those related aids, services, or accommodations which are needed to provide equal opportunity to participate in and obtain the benefits of the school program and extracurricular activities to the maximum extent appropriate to the student's abilities. In order to qualify as a protected handicapped student, the child must be of school age with a pre-existing diagnosed physical or mental condition that substantially limits or prohibits participation in or access to the school program.

These services and protections for "protected handicapped students" are distinct from those applicable to all eligible or exceptional students enrolled (or seeking enrollment) in special education programs. For further information on the evaluation procedures and provision of services to protected handicapped students, contact Mrs. Gina Ross 504/ADA Coordinator for the Marple Newtown School District at 610.359.4261. The 504 handbook is on-line. (The link is under Pupil Services).

#### PROCEDURE FOR SCHOOL VISITORS

We are concerned for the safety of our students. If you need to visit Russell Elementary School or any MNSD building for any reason, please have a valid ID. We have a strict policy as it pertains to identification. Visitors, including parents, must present a current photo ID and sign in at the office each time they come to our school whether this is your first time visiting or your sixth year at Russell. In addition, visitors, including parents and grandparents, are not permitted on school grounds during school hours without administrative authorization, per MNSD School Board Policy #707

PURPOSE: The administration and faculty welcome and encourage visits to school by parents or guardians or by other taxpayers of the community or interested educators. To ensure order in the schools and to provide a structured learning environment that minimizes disruption to the learning environment while ensuring the safety of all students, it is necessary for the administration to establish guidelines governing such school visitations.

RESPONSIBILITY: The School Code provides that the sole responsibility to report to the board concerning such visits is vested in the district superintendent. Therefore, the district superintendent has the authority and responsibility to implement these guidelines in conjunction with the building principals.

PROCEDURE: Visitations to classrooms by persons other than school employees could lead to disruption in the learning process. Accordingly, such visitations will be controlled and regulated by these guidelines. The district superintendent or building principal shall have the authority to prohibit entry of any person to a school of this district unless or until the following procedures have been complied with:

- 1. If the visitation is for a parent or teacher-initiated parent conference concerning the parent's or guardian's child, it must be **scheduled in advance** with the teacher. Upon arrival at school, a person visiting school for this purpose **shall register** at the office of the principal prior to proceeding to the conference site.
- 2. If the visitation is for any other purpose, arrangements must be made in advance through the office of the building principal.
- 3. Upon arrival, <u>all</u> visitors must register at the office of the building principal and obtain a Visitor's Pass badge through the kiosk system. If a badge is not obtained, any staff member may stop the visitor and redirect him/her to the office.
- 4. No visitor may confer with a student in school, other than a student of whom he/she is the parent or guardian, without prior permission of the building principal.
- 5. No visitor shall be allowed to photograph or video record any person or any part of any building or to record any conversation of any kind without prior approval of the building principal and the district superintendent.
- 6. Should an emergency require that a student be called to the school office to meet a visitor, the principal, or designee, shall be present during the meeting.

#### PARENTAL INVOLVEMENT STATEMENT

We believe that home, school and community involvement is a shared responsibility among school staff, parents, students, and community members. The parent is recognized as the child's first educator. In order to develop effective communication between the home and school, parental involvement in school activities is encouraged and supported by the Marple Newtown School District in the following ways:

- All parents can become involved with their child's education at the school level by joining the Parent Teacher Organization:
  - o call the PTO representative listed in your directory
  - o respond to information given at Back to School Night
  - o attend monthly PTO meetings and join subcommittees
- ☐ All parents are invited to attend district parent/teacher conferences held two times per year, as well as classroom, building, and district events. All parents are welcome to visit classrooms during parent visitation week in the fall.
- □ All parents receive school information through the district website, the building website, or Infinite Campus. The websites can be translated through the language selection tab at the bottom. Information is also sent through weekly communication envelopes.
- ☐ The District allocates a portion of its federal grant funds to support family engagement activities at the building level. The Director of Administration and Academics, the Director of Teaching and Learning, the building Principal, and the building Reading Specialist are available to consult with teachers and parents in the development of family engagement activities. District-sponsored activities have included STEM Literacy Night and Family Fun Together.
- ☐ Families and Guardians of Title I students are invited to participate on the Federal Programs Advisory Council. This group meets at the end of the school year to review all related documents and policies. The feedback from this Advisory Council informs any necessary next steps such as enhancements or updates.
- ☐ Families of Title I students are invited to a yearly Title I meeting held at their child's school in the fall. An explanation of the school curriculum, assessment procedures, and expected proficiency levels based upon state standards are provided to parents at this meeting, as well as, opportunities for families to provide feedback and suggestions.
- A school-parent compact outlines how parents, the entire school staff, and students will share in the responsibility for improved student academic achievement and the means by which the school and parents will build and develop partnerships to achieve the state's high standards.

- ☐ Families and Guardians of Title I students complete a survey at the conclusion of each school year as a way to give input regarding family engagement activities and the organization of the Title I program for the upcoming year.
- ☐ The Family Engagement policy and Right to Know are posted on the district and building websites.

The support that parents give to the education of their children in Marple Newtown is a needed and appreciated part of the home, school, and community partnership.

#### **School Meals and Snacks**

#### National School Program (NSLP)

What You Need to Know to Purchase Meals at School Marple Newtown School District participates in the National School Lunch Program. The purpose of the NSLP is to safeguard the health and well-being of the Nation's children, as declared in 1946 by Congress in the National School Lunch Act. The NSLP makes it possible for schools to provide nutritious inexpensive lunches to students daily. Nutrition standards for the NSLP were updated in 2012. Lunches consist of an entrée, whole grains, low fat or skim milk, fruits and vegetables.

Your child may purchase meals daily. Please visit the Food Service website <a href="www.mnsd.org">www.mnsd.org</a> for monthly menus. If your child has been determined by a physician to be disabled or the disability would prevent your child from eating the regular school meals, the food service department may make a substitution with a physician's note. Please contact the Food Service department for further information.

#### **How to apply for Meal Benefits**

If you receive Food Stamps or TANF Cash Assistance for the child for whom you are applying, the household application should have the child's name, Food Stamps or TANF Case Number for each child and the signature of the adult completing the application. Please be sure to read the application and complete it in full. If you are applying for a foster child, the application must have the child's name and personal income plus an adult signature.

We are thrilled to have you enjoy lunch with us. School meals are nutritious and a great value! You are probably a little nervous about your child going through the lunch line. As with most new situations, helping your child be prepared will build confidence. Please know that in a few days, the children will be "pros" navigating the lunch line. Below are some tips on how to prepare your child for eating lunch at school. All students are provided with a student identification number also known as the PIN number.

#### What is a PIN number?

A PIN number is your child's meal account access number. The PIN number is entered at the end of the serving line after the child student makes his/her lunch choice. Help your student memorize the PIN number. The PIN number will remain with the child through Grade 12.

How do I prepare my child for purchasing school lunch?

Review the monthly menu with your child to see what days your student would like to eat with us. The
menu is sent home with the child or is available online under <a href="www.mnsd.org">www.mnsd.org</a> Food Service MONTHLY
ELEMENTARY MENU

- Post the menu on the refrigerator and have the child circle the days they are going to have lunch at school.
- Once the child student makes the meal selection, they continue to the end of the serving line and make the payment using the PIN number. The PIN # must be entered regardless of the method of payment.
- The child may enter the PIN number or will be assisted by the food service cashier. Please have money in the child's account. Please review payment options below. It is best to prepay all meals. You will not have to worry about money being lost or left in the classroom.

#### **Payment Options:**

- 1. Cash
- 2. Check (Please make check payable to MNSD Food Service)
- 3. School Café offers you the choice to pay by credit card, in addition to viewing your student's daily purchases. Please note that a service charge of \$1.95 (per transaction) for credit card payment is applicable. Visit <a href="https://www.schoolcafe.com">www.schoolcafe.com</a> to create an account free of charge. You must know the child's PIN #.

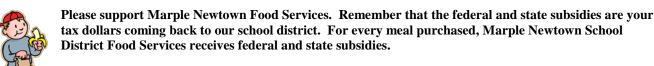

#### **Breakfast**

Breakfast will be available most mornings for any K - 5 student before the learning day begins. Breakfast will be served in the school cafeteria starting at arrival time and lasting until the learning day begins in the morning, about 20-minutes. Students will be given a meal based upon PA's adopted Nutritional standards. It is important that students arrive at class from breakfast on time for their learning day. Monitors will be present in the cafeteria to supervise students during breakfast.

#### **Peanut and Tree Nut Allergies**

No one is to provide snack or party foods containing peanuts, tree nuts, or products that have been prepared with ingredients containing nut products. families of students with food allergies must notify the school nurse, the teacher and the cafeteria manager regarding the foods that may be purchased at school. The teacher will notify homeroom parents of specific allergies of those in the classroom.

#### **Meals and Snacks**

Meals consist of an entrée, fruit, vegetable, whole grains, and low fat or skim milk. For a complete meal, your student is required to take at least one fruit or one vegetable. Healthy snacks and beverages are also available for purchase at a reasonable cost.

Please see our Food Service website for more information (<a href="www.mnsd.org">www.mnsd.org</a>); click on your elementary school; click on Food Services). Please consult with your child's homeroom teacher and/or school nurse before planning any classroom activity.

In an effort to ensure every student's health and welfare with regard to food, NO ONE IS TO PROVIDE SNACKS OR PARTY FOODS THAT CONTAIN NUTS OF ANY KIND, OR HAVE BEEN PREPARED WITH INGREDIENTS CONTAINING ANY NUT PRODUCT. families of students who have food allergies must still consult with the cafeteria manager regarding the foods that may be purchased at school, and must make their child's food allergy known to the teacher (who will in-turn notify the Homeroom families) and the School Nurse.

#### MONEY AND VALUABLES

Please do not allow children to bring valuables or large sums of money to school. Electronic games, electronic pets, laser lights, boom boxes, valuable trading cards, or skateboards are not permitted in school. Toys are not to be brought to school. **Students are not allowed to sell, trade, or purchase items from one another on school grounds or property**.

#### VIDEO RECORDING OF STUDENTS

At various times throughout the school year children may be engaged in activities at school that teachers or other staff members may wish to video record. These events will be related either to aspects of your child's curriculum or school spirit activities. All students will be encouraged to participate in these projects, and a video camera or mobile device will be used to record these activities for course work review or school publicity. Individual student rights will be respected in the use of all recordings. If a parent wishes to exclude a child from video recording or being photographed for public consumption, the principal must be notified. A copy of the release form for photographs and visual images is in the appendix at the end of this handbook.

#### **ACCEPTABLE USE POLICY**

The District provides all students with access to a computer network and Internet resources in their classrooms and other locations in every building. In accordance with guidelines of the Children's Internet Protection Act, an Acceptable Use Policy is required for each student. The policy, signed by parents and students, outlines the students' responsibilities while using District technology equipment and resources. The District provides filtering software on all computers,

which blocks certain visual depictions and other inappropriate Internet content; however, some material accessible via the Internet may contain items that are illegal, defamatory, or potentially offensive. A copy of the Acceptable Use Policy will be sent home with any new student.

#### **TEXTBOOKS**

Students are responsible for the books that they receive. Students must be charged the price of any book that is lost or seriously damaged. All replacement money should be turned in to the school secretary.

#### **HOMEWORK**

Homework is the extension of the learning process requiring the use of a student's time beyond the class instructional period. This home study should be directly or indirectly related to his/her interests, needs, abilities or experience.

The **purpose** of homework is to:

Provide helpful practice to assist the students in strengthening their basic skills and reinforcing their learning

Encourage students to read effectively and more extensively

Provide feedback to the teacher for formative assessment purposes

Provide students an opportunity for self-evaluation

Challenge students to use their initiative in solving problems when appropriate

Stimulate voluntary effort, initiative, independence, responsibility and self-direction

#### Guidelines:

Homework varies according to the teacher and the grade level involved. Typical homework assignments might consist of reading, reviewing any subject area, working on special projects, or completing drill work in math computation. Homework assignments should be targeted and differentiated. The length of time spent on homework can vary greatly from child to child, but <a href="mailto:should not exceed">should not exceed</a> the following guidelines:

Kindergarten and first grades – 10 minutes

Second and third grades – 15 to 30 minutes

Fourth and fifth grades – 30 to 60 minutes

These guidelines may or may not include Sustained Silent Reading (SSR) time recommended by the teacher.

Periodically, long-range assignments are given, such as unit reports, special projects or book reports. Some pupils may put these types of assignments off until the last minute, resulting in a large amount of time being required to complete the project. If properly planned, such assignments can be completed within the guidelines indicated above.

#### **Suggestions for Families:**

Assignment sheets, assignment books, and homework folders are frequently used to assist the students in meeting their school responsibilities and to facilitate the communication between home and school. families should expect their children to share the content of these folders with them on a daily basis. If your child spends an excessive amount of time doing his/her homework, it would be wise to assess your child's use of his/her time and to contact the child's teacher.

As a parent you can help your child with homework assignments by:

Providing a suitable place for a student to study without distraction

Supporting the educational goals for your child by encouraging him or her to complete homework as independently as possible Assisting your child in budgeting his/her time for home study

Reading to and with your child on a daily basis

Contacting the teachers if you have questions

Homework may be requested for students who are absent from school for more than one day. In the event of extended absences, special arrangements may be made with the teacher or guidance counselor.

#### STUDENT ASSESSMENT/STANDARDIZED TESTING

Marple Newtown School District uses a combination of both formative and summative assessments to guide instruction and curricular decisions. These assessments are also used to monitor student progress towards attaining state standards. The assessment tools include: The Pennsylvania System of School Assessment (PSSA), Curriculum Based Assessments (CBA), Benchmarks and Developmental Reading Assessment (DRA), AIMSweb, and i-Ready diagnostic assessments.

The annual Pennsylvania System of School Assessment (PSSA) is a standards based criterion-referenced assessment used to measure a student's attainment of the academic standards while also determining the degree to which school programs enable students to attain proficiency of the standards.

#### Schedule of Standardized Testing / Assessments

Kindergarten - AIMSweb, CBA, DRA

First Grade – AIMSweb, CBA, DRA, i-Ready Diagnostics

Second Grade – AIMSweb, CBA,DRA, i-Ready Diagnostics

**Third Grade** – The Pennsylvania System of School Assessment (PSSA) is administered in the Spring. The students are tested in the areas of English Language Arts and Math. Additionally, AIMSweb, CBA,DRA, and i-Ready diagnostics are administered throughout the school year.

**Fourth Grade** – The Pennsylvania System of School Assessment (PSSA) is administered in the Spring. The students are tested in the areas of English Language Arts, Math, and Science. Additionally, AIMSweb, CBA,DRA, and i-Ready diagnostics are administered throughout the school year..

**Fifth Grade** – The Pennsylvania System of School Assessment (PSSA) is administered in the Spring. The students are tested in the areas of English Language Arts and Math. Additionally, AIMSweb, CBA,DRA, and i-Ready diagnostics are administered throughout the school year..

In compliance with federal and state mandates, the district uses various assessment tools and professional teams to determine eligibility for both gifted and special education programs and services. These tools include but are not limited to: classroom observations, behavior charting, student interviews, and an intelligence measure test administered by a counselor. Parent permission is required for an individual psychological evaluation administered by a certified school psychologist followed by Multi-Disciplinary Team meetings.

If you have questions regarding any of these procedures please contact your child's guidance counselor.

#### **REPORT CARDS**

The purpose of the report card is to provide an on-going conversation among teachers, students, and parents about what is expected of students and how to help them achieve success in a rigorous academic program. This report was designed to provide a clear description of your child's learning in three areas:

- 1. It indicates a student's academic performance relative to **standards** established by the PA Department of Education.
- 2. It shows a student's growth in terms of **grade-level** expectations.

The report card will be issued three times per year in grades 1-5 and twice per year in kindergarten. Letter grades will begin the second marking period of third grade. Additional information will be provided during two parent/teacher conferences.

SCHOOL NURSE ASSIGNMENT: The State of Pennsylvania mandates that the certified school nurse/pupil ratio is one nurse for a maximum of 1500 students.

#### SCHOOL HEALTH PROGRAM

#### **IMMUNIZATIONS – GRADES K-5** 1.

The Pennsylvania Department of Health recommends the following minimum immunizations:

- Four or more doses of Diphtheria, Tetanus and Acellular Pertussis with one dose given on or after the 4<sup>th</sup>
- 4 doses of Polio with one dose given on or after the 4<sup>th</sup> birthday
- 2 doses of Measles, Mumps, Rubella (MMR)
- 3 doses of Hepatitis B
- 2 doses of Varicella (Chickenpox) or history of disease

From time to time the State adds to the immunization requirements. You will be notified of these changes and given adequate time to comply. Immunizations are available without cost or at reduced rates based upon income levels. Contact your school nurse for further information. Immunizations must be completed and **proof of immunization must be** 

submitted to the school nurse before students may attend school. If your child's immunizations are not current or are incomplete, he/she may be excluded from school until the State regulations have been met.

The School District's responsibilities relative to the enforcement of the law will be based on the following criteria:

- A. **PROOF OF IMMUNIZATION**, rather than parent recall, is required.
- B. No child without a valid exemption shall be enrolled into school if **ALL immunizations** are not documented.
- C. The immunization histories of all transfer students must be reviewed for completeness, and corrective action taken when necessary.

#### 2. TUBERCULOSIS TEST

A TB test may be required, at the School Nurse's discretion.

#### 3. SCOLIOSIS SCREENING

Scoliosis screening is performed in grades six and seven.

#### 4. VISION SCREENING

Vision screening is performed in kindergarten through 12<sup>th</sup> grade.

#### 5. HEARING SCREENING

Hearing screening is performed in grades kindergarten, one, two, three, seven, and eleven and as needed.

#### 6. HEIGHT, WEIGHT and BMI

Height and weight measurements are obtained K-12 as mandated by the state. In addition, the State requires that parents be notified of their child's Body Mass Index (BMI), a ratio of height to weight for age that indicates that a student may be at risk for weight concerns. In that event, parents will be advised to consult with their Physician.

#### 7. PHYSICAL EXAMINATION

Students must have a complete physical examination upon the **first day** of original entry into school (kindergarten or first grade), grade six and grade eleven and at the nurse's discretion. Students new to Pennsylvania schools must have a physical examination if the student's record does not meet Pennsylvania requirements. If financial need is demonstrated, the Children's Health Insurance Program (CHIP) offers low cost medical insurance. Contact the nurse at your child's school for further information.

#### 8. DENTAL HEALTH REQUIREMENTS

All children are required to have a dental examination upon original entry into school (kindergarten or grade one), and in grades three and seven.

#### WHEN TO KEEP YOUR CHILD AT HOME

It is important to maintain a healthy environment in the classroom to protect all students. Please seriously evaluate your child's health and ability to concentrate in school when he/she complains of headache, stomach pain, sore throat or cold symptoms even without a fever.

<u>Children often have no fever in the morning.</u> Temperatures may rise as the day progresses. If the ailment is a minor one, a day or two of rest at home may eliminate the symptoms. If the ailment is more serious, resting at home may help to prevent complications. The following symptoms may indicate a contagious illness. Your child should be kept at home if any of the following occur:

- Fever of 100 degrees or higher the night prior to or the morning of school. The student must be fever free for 24 hours before returning to school without the use of Tylenol, Motrin or any other fever reducing medication.
- Headache unrelieved by Tylenol or Motrin or any other headache relief medication.
- Vomiting and/or diarrhea within the past 24 hours. Students must be vomit/diarrhea free for 24 hours before returning to school.
- Sore throat lasting 2-3 days
- Yellow or green drainage from the eyes or nose
- Excessive coughing and cold symptoms

- Rash
- Dizziness/chills/body aches

Resting at home with any of the above conditions will likely help with your child's recovery. It will also help to prevent the spread of illness and disruption to other students and staff members.

#### COMMUNICABLE DISEASES

The School Nurse may exclude from school and require written clearance from a licensed health care provider for students suspected of having a communicable disease.

Any student in school suffering from a rise in temperature, skin eruption or unusual swelling shall be excluded from school until diagnosis of non-communicable disease is made or the child has fully recovered, and has been fever free for 24 hours without fever reducing medication.

**Chickenpox/Shingles:** Students may return to school when all lesions are dry and there are no new lesions in 24 hours. This usually takes 4-6 days – Not sooner.

**Pertussis** (Whooping Cough): Students may return to school after 5 days of antibiotic treatment and with written clearance from a licensed health care provider to return.

**Strep throat:** Students may return only after 24 hours of antibiotic treatment and no fever for 24 hours without fever reducing medication.

**Contagious Conjunctivitis (Pink Eye):** Students may return after the documented start of treatment by a licensed health care provider or when the eye is no longer red, irritated and is without drainage.

**Ringworm, Pinworm, Scabies, Impetigo, or MRSA:** Students may return to school after 24-48 hours of appropriate therapy and with written clearance from a licensed health care provider to return.

**Head Lice:** Students may return when appropriately treated as determined by the School Nurse. It is important for parents/guardians to ensure that nits are removed after a child is treated for head lice. Please notify the school nurse if your child has been treated for head lice.

**Fifth Disease:** Children with fifth disease are not excluded from school; however parents should notify the School Nurse. Marple Newtown School District complies with guidance from the PA Department of Health in matters of communicable disease. The Department of Health can require exclusion of students from school if they pose a threat to the health of others. Additionally, they may require exclusion of unimmunized children if there is an outbreak of communicable illness.

Please notify your child's School Nurse whenever there is a diagnosis of any of the communicable diseases listed above. The School Nurse has a better chance of controlling the spread of disease if she is alerted to its presence in the school. Your information will be kept confidential.

#### MEDICATION POLICY

There is a nationwide awareness and concern for the increase of in-school dispensing of medication including over the counter (OTC) medicines. In keeping with Marple Newtown's educational effort to encourage precaution and restraint in this important aspect of daily health care, the Marple Newtown School Board has adopted a medication policy #210. The entire policy can be found at: <a href="https://www.mnsd.org">www.mnsd.org</a>.

Important points from this policy comply with PA State laws including those of the State Board of Nurse Examiners. These points are as follows:

- The following information must be complete and on file in the nurse's office for each request:
  - 1. Written permission and signature of the parent/guardian
  - 2. Written order from the health care provider

- 3. Medication in its original labeled container delivered by the parent/guardian to the school nurse
- The above requirements must be renewed every school year
- Medication forms are available for your convenience in the nurse's office.
- Students are NOT permitted to carry any medications or pills of any kind (including prescription, OTC, diet preparations, dietary supplements and vitamins). The only exception is for asthma inhalers and injectable adrenalin with appropriate completed documentation.
- All medication/pills will be stored in a designated secure location within the nurse's office
- families will be notified, at the discretion of the school nurse, when OTC medications are administered.
- families are encouraged not to bring in (OTC) medications for the school nurse to administer unless it is recommended by your child's health care provider
- It is wise to notify the School Nurse of all medications your child is taking in case he/she develops an allergic reaction or incompatibility or if there is another emergency
- At the end of the school year, unused medication will be returned only to the parent/guardian or discarded. It cannot be returned to the student

#### MEDICATION POLICY REGARDING SELF-CARRY MEDICATIONS

The following criteria are required for a student to self-carry and /or administer medication at school:

- 1. Self-administration of medication is permitted only for emergency medication such as inhalers and adrenaline.
- 2. It is not recommended that students self-carry asthma inhalers or emergency adrenaline at the elementary school level.
- 3. If the child may self-administer, additional medication should be kept in the nurse's office in case the students forgets or misplaces his emergency medication.
- 4. Medications which are carried by the students will be labeled with the student's name and must remain in the original container with the original pharmacy label.
- 5. Medications must be carried in a safe manner preferably in a purse or pocket.
- 6. Students are not permitted to share any medication with any other student, including both prescription medications and over-the-counter medications or supplements. Any student who violates this policy on school grounds at any time is subject to the Pennsylvania State Crime Code.
- 7. If the student needs to use the medication, they must immediately go to the nurse's office to inform the school nurse, unless other arrangements have been made prior to the incident. If an Epi-pen is administered, a call will be placed to 911 immediately.
- 8. Students will be responsible to carry their medication with them to all off-campus school-related functions independently of the school nurse's office.
- The decision to allow a student to self-administer medication must always include overall supervision of the school nurse with appropriate, periodic nursing evaluation of the student's technique and self-assessment skills.

If it is felt that the students will be able to comply with the listed criteria, the Self-Carry Medication Form (see appendix) must be completed and returned to the school nurse.

#### PARENT RESPONSIBILITY

Health room facilities cannot provide for the care of the sick or injured child all day. families/guardians should be prepared to pick up their sick or injured child within an hour after notification. The emergency card specifies a parent or other designated person to be notified in the event of a serious illness or injury at school. The designated person should be someone who can assume responsibility in the parent's absence. To assume responsibility for a sick or injured child is a

serious undertaking and should be arranged by **mutual consent**. Please be sure that the designated person is local and available during the school day.

#### TRANSPORTATION OF ILL AND INJURED STUDENTS

The transportation of ill or injured students is the responsibility of the parent or guardian. Staff members are not permitted to transport students. families or guardians will be contacted to provide or arrange for transportation. They will also be asked to arrange for transportation for students who have driven to school, but whom in the judgment of the school nurse, are medically unable to drive home safely.

In the event of severe illness or injury, an ambulance will be called to transport the student to the appropriate hospital. The ambulance fee is the responsibility of the parent or guardian and is usually covered by medical insurance.

#### ALLERGIC REACTIONS

The Marple Newtown School District is committed to the well-being of all district students and recognizes the life-threatening nature of some of our students' allergies. If your child has a life threatening insect, food or medication allergy please alert the school nurse. The nurse will ask you to have your child's physician complete and sign an Emergency Allergy Plan. Copies can be found online or at the nurse's office in your child's building. Return this plan to the school nurse in your child's building as soon as possible. The proper information will then be distributed on a need to know basis.

As partners with the school in providing a safe environment for your child, you are responsible to:

- Provide the completed Emergency Allergy Plan sign by your physician as described above. This document must be renewed and updated annually.
- Provide properly labeled medications and replace medications after use or upon expiration
- Review your child's allergy and emergency plan with your school nurse, bus drivers and before/after school personnel such as child care workers, coaches and club sponsors.
- Call the food service director if you have questions about the school menu.
- Continue to educate your child about their allergy, including:
  - o Strategies for avoiding exposure to the allergen
  - o Symptoms of allergic reactions
  - o How and when to tell an adult he/she may be having an allergy related problem

Thank you for your prompt attention to this very important issue. If you have any questions, concerns or would like to meet with your school nurse please do not hesitate to call. Please remember to contact your school nurse at any time during the school year if your child's medical status changes.

#### LEGAL IMPLICATION OF INJURY AND ILLNESS

Nurses are not licensed to make medical diagnoses. However, students and families may benefit from the School Nurse's knowledge and expertise in assessing the health care needs of each child. Nurses can advise whether further medical care may be needed, render first aid, and care for minor illnesses and injuries occurring during the school day.

The school nurse cannot assume the responsibility of caring for injuries/illnesses that did not occur at school. families should not expect school personnel to treat such injuries/illnesses. Students are encouraged to participate in the School Accident Insurance program which assists in the health care costs of private physicians and hospitals. The school district is not responsible for physician fees or other charges connected with follow-up treatment of injuries or illnesses.

#### ABSENCE

Each absence must be reported to the attendance line of the appropriate school:

Culbertson 610-359-4346 Loomis 610-359-4358 Russell 610-359-4200 #1 ext. 8404 Worrall 610-359-4200 ext. 7474

#### **Excused Absence**

An absent student must be called out for each day of absence from school. This helps to ensure the safety of your children. All absences require that a written excuse be submitted to the school within three (3) days of the student's return to school. If a written excuse is not submitted to the office within that time period, the absence is recorded as unexcused and is deemed by the state to be an illegal absence. A written excuse documenting an absence is required under the state's compulsory attendance laws.

- o A written excuse must contain the following information: (1) name of the student; (2) student grade level; (3) the date(s) of the absence; (4) the reason for the absence.
  - The school district provides excuse forms but you may use any paper to write the excuse. We are able to accept excuse notes sent via email to your appropriate school: Please review the section on submitting electronic absent notes in the handbook.

Culbertson-cuattendance@mnsd.orgLoomis-lmattendance@mnsd.orgRussell-ruattendance@mnsd.orgWorrall-woattendance@mnsd.org

- \*Please review section on submitting electronic notes.
- o In the case of an absence of three (3) or more consecutive days, the child must return to school accompanied with a note from a **licensed health care provider** within three (3) calendar days.

- A doctor's note will be required for admission to school at any time the school deems it necessary. Students
  who have been absent from school because of a communicable disease must present a doctor's certificate before they
  may be readmitted to school.
- Only 10 days will be excused with a parent note per year. After 10 days, a doctor, court, or educational visit note is required.

#### **Unexcused/ Unlawful Absences**

In cases where a student has accumulated ten (10) or more days of absence, parents/guardians will be notified that future absences will require an excuse signed by a health care professional treating the student. Only 10 days will be excused with a parent note per year. After 10 days, a doctor, court, or educational visit note is required.

<u>Unlawful Absences</u> –When a student accumulates a third unlawful absence, the state law requires that we send a document "Official Notice of Child's Unlawful Absence" explaining that future unlawful absences could result in a petition to the local District Justice. Included in the Official Notice will be an invitation to a School Attendance Improvement Conference. A School Attendance Improvement Plan will be created during this conference.

#### LATENESS

Students who are not in their classrooms at the time specified below are considered late.

Culbertson 9:00 AM Loomis 9:00 AM Russell 9:10 AM Worrall 8:50 AM

Any child arriving at school after his/her school's specified time must report to the school office with an excuse note before proceeding to class. Elementary students must be accompanied by a parent or guardian. The number of instructional minutes missed daily due to chronic unexcused lateness will be totaled and will result in unexcused absence for a child. This is determined by converting the number of minutes late into a percentage or part of the school day missed.

#### EARLY DISMISSAL OF STUDENTS

- 1. families who wish to have students dismissed early or excused from school for a brief period of time must send a note to the school. As children arrive in the morning, they should give the note to their teacher, who will forward it to the main office.
- 2. Children must be picked up at the school office. A parent or guardian must sign the student out in the "Student Sign Out" book. Students should be informed of the pick-up time ahead of time so that classes need not be disturbed.
- 3. For anyone other than a parent or guardian to pick up a child, written authorization must be provided to the teacher/office by the parent or guardian.
- 4. It is most helpful to each child's learning that classes be missed only when absolutely necessary. When possible, please try to plan appointments around school hours.

#### PARENTAL REQUEST FOR STUDENT EXCUSED ABSENCE

#### **Pre-planned Educational Tour or Trip**

The Marple Newtown School District strongly discourages student absence from school except when illness or other urgent reasons prevent the child from attending. School district officials are aware that it is not always possible to schedule family trips and vacations while school is not in session. In keeping with our guiding philosophy, but also recognizing the importance of the family unit, the school district will authorize educational tours or trips up to a **maximum of five (5)** school days per student per year.

The following provisions must be met for approval of an educational tour/trip:

- o A "Parental Request for Student Excused Absence" form has been designed for pre-planned educational tours or trips. This form can be found on the district website or in the main office. A copy of this form can be found at the end of the district handbook.
- o A "Parental Request for Student Excused Absence" form must be submitted to the child's building principal or designee for consideration at least **one week prior to** the date of the intended trip. The request must include a statement detailing the educational value of the trip and the name of the person responsible for supervision. The

- principal will respond to the request; questionable requests will be submitted to the Superintendent for final determination.
- The building principal will evaluate the request in terms of its educational value, duration, and adequateness of the supervision. If authorized, the absence will be considered excused for up to 5 days; subject to the student's satisfactory completion of the assignments missed. **Anything above five (5) days will be unexcused.** Prior to leaving on the trip, it is the responsibility of the student to seek assignments. It will be the responsibility of the student to make up all work missed during the absence within one week after the student returns to school.
- o The absence of a student taking a tour or trip which has not received prior approval from the building principal as being educational in nature will be considered unlawful (unexcused) and subject to the provisions of the Compulsory Attendance Laws (Section 1327 of the School Code).
- o Any trip scheduled during state standardized testing will not be excused and be marked as an unexcused absence.
  - o When the family trip involves school-age siblings, the Parental Request for Student Excused Absence" form must be completed for each school where the children attend.

## RUSSELL SCHOOL LIBRARY Ms. Nicole Westman, Librarian

#### **Library Mission Statement**

In a systematic and accumulative approach, using a wide range of fiction and non-fiction books and materials, online sources, problem solving solutions, reading comprehension strategies, author studies, and author visits:

to instill in our students a life-long love of reading and learning,

to promote an appreciation for the world of children's book authorship and illustrations,

to create information-literate students of the 21st century.

#### <u>Please visit Library Links and Online Catalog on the Russell School Homepage www.mnsd.org</u>.

Our library provides a wide range of print, non-print, and online sources for our students, teachers, and the Russell family at large. Students visit their library during weekly scheduled library classes. They learn how to use resources and technology, and they become acquainted with the world of children's authors, illustrators, and literature. The library is continuously open during regular school hours. Students are welcomed at all times during the day to work individually or in small groups under the guidance of the professional librarian. Our library is a great place to read, learn, and connect with books, information, and fun. We ever strive to make our library a friendly and inviting place where students will want to return time and time again.

Library books and magazines are checked out on a weekly basis, and they can be renewed often if need be. If students forget their books on library day, additional library books cannot be checked out. Students are encouraged to return their library books the very next day after library class so that the students can check out other books. Students can come to the library for books any time during the day with their teacher's permission. Likewise, if students miss library class due to snow days or legal holidays, please send in their library books on the next school day, so that they can check out other books for the week. The books are here for the students to delight in, learn from, and to check out!

Students are responsible for all materials which they borrow from the library. They must pay for lost or damaged materials. There are no overdue fines; but in order for new materials to be checked out, books need to be returned or renewed on a weekly basis.

Parent volunteers are warmly welcomed! Their presence, hard work, and dedication greatly enrich our library program. We are ever so appreciative of our volunteer staff!

At Russell School, we say YES to reading, learning, and connecting at our school library!

#### CODE OF CONDUCT

At Russell Elementary School everyone deserves to learn and play in the best environment possible. Our rules and programs emphasize and support respect for self, others and property.
