

**Nominating Form
Lake Forest Academy Parents Association Board
2022-2023**

The Parents Association Nominating Committee invites all parents to participate in the process of selecting officers and committee chairpersons to serve on the board for the coming year. Please use this form to indicate your own interest, or to recommend others to serve as your representatives on the board. *Those presently on the LFA Parents Association Board also need to fill out this form and send it to the Nominating Chair to be considered for next year.* Most positions require only a one-year commitment, resulting in plenty of opportunities for newcomers to become more involved.

Please contact Nominating Committee Chair Tricia Sweet for more information. To express interest, or submit recommendations, please use this form, or email Tricia at triciasweet1@aol.com. All nominations must be in writing. Your input is important to us, and critical to the committee's ability to develop a slate of board members representative of our school community. We look forward to hearing from you!
