SCHOOL LOCKER POLICY

It shall be the policy of the Milford School District Board of Education that school lockers are the property of the District. At no time does the District relinquish its exclusive control of lockers which are provided for the convenience of its students. Periodic general inspections of lockers or random inspections of lockers may be conducted by school authorities for any reason at any time without reasonable suspicion of the commission of a crime or a school disciplinary infraction. Locker searches may be conducted by school authorities at any time, without notice, without student consent, and without a search warrant provided that during any such search an administrative employee of the Milford School District will be present to witness the search. The Board of Education authorizes administrative employees of the District to conduct locker searches with or without the involvement of the Milford or Delaware State Police. In the event locker search reveals that a student's locker contains items which are prohibited under the Student Disciplinary Code or under Delaware State law, appropriate disciplinary procedures shall be initiated against the student; and in situations where the items discovered are in violation of State law, the Milford and/or Delaware State Police shall be notified.
