By means of this Admissions Document, you, the undersigned

1. Formally reserve a place in the school. At the time of registration, you will receive the Administrative Rules, the content of which you will expressly state that you know, together with the Educational Plan and Ethos of the school, which are accessible in the CAV, "Comunidad y Aula Virtual" (Community and Virtual Classroom) online platform, to which the school will give you access. While waiting for said access to the CAV, you may request to be sent these documents by e-mail.

2. The father, mother or guardian undersigned declares that he has custody of his child (by court order of precautionary measures or by final divorce ruling if this is the case), and that the other parent knows and accepts the enrolment of the child in the Centre and that he is aware that this decision is subject to knowledge and approval of the other parent and, in the event of disagreement, to the decision of the competent court.

3. You authorise the School to transfer the student to the nearest medical centre with which the school is affiliated in the event of an accident or illness, always after attempting to contact the parents/guardians by all available means.

4. You authorise your child's attendance at and participation in the academic and extracurricular activities that the School schedules during the school year, whether these be outings, excursions or trips.

5. The parents or guardians signing this document commit to pay the fees established by the centre. Failure to pay two monthly instalments will result in the suspension of the services contracted with the School, until the whole amounts due have been paid in full.

6. The School, through the "New Agora Auxiliary Service Society", has contracted a 'Continuation of Studies Insurance' for all Centres which guarantees that every student whose parents are insured (mother, father, or both parents in accordance to the contract) can continue their studies in the School to end of Bacalaureate in the case of death or total and permanent disability. With the objective of covering this type of circumstance, and with the accumulated experience we now have, we recommend everyone to contract this insurance in addition to any other life insurance you may have. It is an annual insurance and covers the whole school year. It should be contracted on the Admission Form or on the Enrolment Reservation Form and will be charged for in the September monthly school fees. There is also an option for paying for the insurance in monthly installments which will be charged together with the monthly school fees.
