

# U of D Jesuit Alumni Mothers' Club

Dear Alumni Mom,

August 2021

Welcome to an exciting year for our UDJ Alumni Mothers' Club (AMC). We are truly excited to see you in person as we begin our 28th year as an organization! WELCOME new alumni moms from the Class of 2021!!! Our 300 plus membership would tell you that there is great value in staying in touch with the school, and with all the amazing moms you've become friends with during your sons' years at UDJ.

If you are a returning alumni mom, WE WELCOME YOU BACK too! You already know that joining the AMC is easy, and so worth it! Our activities help us to stay connected to our existing friends and help us to make new ones. ## There are a couple of exciting updates to share...

- We have established the **Women for Others Scholarship** in memory of Mary Lackamp who served in the school's Student Affairs Office from 1974-2003. This scholarship creates a lasting legacy for our organization. As we work toward the goal of a fully endowed scholarship, the AMC will also make a yearly contribution, as our budget allows.
- Our support of the Labre Ministry at UDJ is expanding! We will offer expanded opportunities for alumni moms including accompanying the boys in this weekly ministry and a special service day at UDJ specifically for this important ministry. More details to follow soon.

So, we'll kick-off the year with our Annual Reunion Mass and Brunch on Sunday, September 26th. Our Mass will take place in the UDJ Chapel. Then, we will gather at the Detroit Golf Club for a delicious brunch and fellowship. **Please send in the enclosed membership form and Mass/Brunch RSVP today.** This is going to be a fantastic year!

See you in September and Go Cubs! *Carina Gaynier, AMC President*
