# PARK TUDOR

# Tuition and Fees for 2025–2026

## Information for Families

Thank you for your interest in Park Tudor School.

Park Tudor is an independent school and must charge tuition to cover its operating expenses. However, tuition alone does not cover the cost of a Park Tudor education. It represents only about 70 percent of the school's operating budget income. Each year, a draw from our endowment and generous donations to the school's Annual Fund contribute significantly toward each student's education.

In 2022-23, Park Tudor awarded more than \$4.5 million in financial aid and merit awards to over 30% of our student population. In grades 6-12 merit awards range from \$500 to full tuition, with an average award of approximately \$5,400.

Many families would like to provide their children with an independent school education but assume they cannot afford it. We urge you to investigate the opportunities. Many options exist to help families fund a Park Tudor education, including:

- Park Tudor financial assistance
- Merit-based scholarships
- Flexible payment plans

Awards are granted to families from a variety of financial backgrounds, including those who may have a high level of demonstrated need and those who may require only minimal financial assistance.

Asking about financial aid options will not impact your child's chances of admission to Park Tudor.

## Scholarships

Recipients of all merit scholarships are expected to maintain at least a B average, earn passing grades in all courses, maintain a good disciplinary record, and be engaged in the life of the school. Awards are renewable for the succeeding academic years, subject to the requirements listed.

Incoming 9th grade students wishing to be considered for merit aid must apply early decision. *There is no separate application required for merit aid consideration.*

- **Appleseed Academic Honor Scholarships** – Diversity, equity and inclusion is important to Park Tudor and this scholarship supports our commitment to a diverse student body. This award may cover up to 100% of demonstrated financial need of a new student grades 6-12. Recipients also receive a stipend equal to 10% of their tuition to be used toward other school-related fees.
- **Center for Leadership Development Awards** – CLD Scholarships are granted to students entering Park Tudor who have completed one of the many programs that the Center for Leadership Development offers to middle and high school students. The awards may be granted to students entering the school for the first time or to students who are already enrolled at Park Tudor. Recipients are selected on the basis of academic performance, good citizenship, and demonstrated (or potential for) significant contribution to multiple aspects of the life and activities of the school. This scholarship is equivalent to the amount of 50 percent of the annual Upper School tuition.
- **Irsay Family Impact Award** – This 4-year, full-tuition scholarship was established by the Irsay family, graduates of Park Tudor, to provide deserving 9th grade students of color access to a Park Tudor education.

- **The Thomasson Scholars Award** – This full-tuition scholarship is granted to an incoming freshman based on academic ability, with strong preference given to students matriculating from The Oaks Academy. Thomasson Scholars are students of high character who will contribute their time and talents broadly to the Park Tudor community.

- **Freshman Honor and Park Tudor Honor Scholarships** – Students entering 9th grade who demonstrate outstanding academic performance may be eligible for the Freshman Honor or Park Tudor Honor Scholarship. These scholarships cover anywhere from 15% - 50% of a student's tuition costs.

## Applying for Financial Aid

The Park Tudor Financial Aid program is designed to make a Park Tudor education possible for all families based on demonstrated financial need and the availability of funds. Park Tudor is proud to use the Clarity Application to determine a family's level of financial need based on the information that families share in the application which includes assets, income, expenses, and debts.

To get started, please go to the Clarity Application (<https://app.clarityapp.com/> sign-up) and create an account. The application typically takes less than 30 minutes to complete. The Clarity Application is also mobile-friendly so you can complete it from anywhere. You are also able to save your progress and return at any time. At the end of the application, there is a \$60 fee to submit, and you can share your application with additional schools that accept the Clarity Application for no additional charge. Simply use the drop-down menu in the application to select those schools.

### FINANCIAL AID DEADLINES

#### Prospective Students

- The 9th Grade early decision and financial aid application deadline is November 1. Financial aid for students applying to 9th Grade after the early decision deadline will be considered on a rolling basis.
- Students applying to 9th Grade who wish to be considered for merit aid must apply early decision. There is no formal application for merit aid.
- The JK-8th Grade financial aid deadline is February 1. Transfer students applying to grades 10-12 will be considered on a rolling basis if financial aid is available.

#### Current Students

- The financial aid deadline for current rising 9th Grade students is November 1.
- The financial aid deadline for current JK-8th Grade and 10th-12th Grade students is December 1.

Financial aid is subject to availability and the application should be submitted along with the application for admission.

If you need support during the process of completing your application, there is in-app support available through the "Help" button in the bottom left of the screen, as well as email and phone support at [support@claritytuition.com](mailto:support@claritytuition.com) or 206-210-3752, in both English and Spanish. The application itself is also fully translated into Spanish.
