AUDITION/PERMISSION COURSES – Do not list audition/permission courses on your form. If you are planning on applying for or auditioning for classes that require teacher permission, you still need to register for a full load of classes online during our open registration period. If you are admitted into a class that requires an audition or instructor permission, one or more of your elective classes will be replaced by the audition/permission course you tried out for.

Plan your registration carefully! A \$10 fee is charged for changing classes after you have entered in your class selections online.
