

Volunteer Expectations

Immediately upon arrival I will check-in with the front office.

I agree to follow the guidelines set forth on the MSB Driver Policy whenever transporting children.

I agree not to transport students without prior permission.

If transporting students, I will not make any unscheduled stops that are not directly necessary for safety or to carry out the plan. I will call school if such a stop becomes necessary.

I agree to never be alone with an individual student.

I will maintain confidentiality outside of school and will share any concerns that I may have with school administrators or teachers.

As a chaperone my focus is on the safety and well being of the children. My role is one of active observation and alert self-restraint, to support the children's developing independence.

I will not disclose, use, or disseminate student photographs or personal information about students. Photographs taken on an outing or camping trip will be shared only with MSB.

I agree to report to the appropriate MSB personnel if a student is in danger of hurting themselves or others or being hurt by someone else.

I agree only to do what is in the best personal and educational interest of every child with whom I come into contact.

I agree to treat all school personnel, students, and parents with dignity and respect.

I have read the Volunteer Expectations, including the Volunteer Introduction Packet. I understand what is required of me, of the children in my care and how I am expected to conduct myself as a member of the MSB community.
