

Windows Laptops

Applicable for Grades 3-12 Students

New Laptop Provided by ABS - Lenovo 300e 2nd Gen (11.6")

The Lenovo 300e 2nd Gen is smarter technology for the touch generation. You can tap, scroll, and swipe with a finger. The laptop includes an AES pen with garaged storage. You can also use a common No. 2 pencil to interact with the Lenovo 300e 2nd Gen screen without fear of scratches.

With features like a 360-degree hinge allowing for four different modes and a world-facing camera that encourages collaboration, this state-of-the-art learning machine also boasts the latest Intel® Celeron® processor packed with unparalleled power and speed to keep up with today's brightest minds.

MULTI-MODE LEARNING

The Lenovo 300e 2nd Gen meets different types of learners on their level. Its 360-degree Sync hinge allows students to transition seamlessly between four different modes for reading, writing, drawing, typing, creating content, and presenting it.

NOT YOUR EVERYDAY NOTEBOOK

The Lenovo 300e 2nd Gen combines the familiar and easy-to-use Windows 10 platform with the latest Intel® Celeron® processor and an 11.6-inch, 10-point multitouch display to create an engaging learning experience anywhere students go.

SMARTER FEATURES

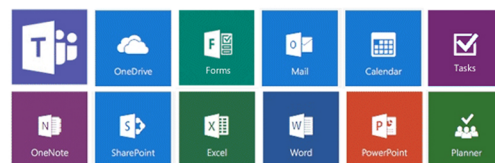

The laptop includes an AES pen with garaged storage. No Pen? No problem. With Pencil Touch technology, you can use a No. 2 pencil to interact directly and safely with the touch screen which is ideal for taking tests, drawing, and notetaking because it's more accurate.

DURABILITY

Designed to meet MIL-STD-810G and Lenovo EDU Spec standards, the Lenovo 300e 2nd Gen features a water-resistant (up to 330 ml) keyboard, reinforced ports, and mechanically-anchored keys.
