Plickers	Nolan Amy	Cross-Curricular	Plickers lets you poll your class for free, without the need for student devices. Just give each student a card (a "paper clicker"), and use your iPhone to scan them to do instant checks-for-understanding, exit tickets, and impromptu polls. Best of all, your data is automatically saved, student-by-student, at plickers.com.	All
Quizlet - Flashcards & Study Tools	Quizlet LLC	Cross-Curricular	Quizlet makes simple tools that let you study anything, anywhere.	All
Remind: Safe Classroom Communication	remind101	Cross-Curricular	A safe way for teachers to text message students and parents. Teachers nor students ever see phone numbers. Can schedule texts to be sent at a later time. No one can return a text to the teacher.	All

Socrative	Socrative	Cross-Curricular	Engage, assess and personalize your class with Socrative. Educators can initiate formative assessments through quizzes, quick question polls, exit tickets and space races all with their Socrative app. Socrative will instantly grade, aggregate and provide graphs of results to help you identify opportunities for further instruction. Must download the teacher app and the student app	All
Telagami	Telagami labs Inc.	Cross-Curricular	An app that lets you create and share a quick animated message called a Gami.	All
