

TRANSITIONS

A GUIDE FOR INCOMING FRESHMEN | CLASS OF 2026

WELCOME FROM STUDENT SERVICES

Dear SHS Students and Parents/Guardians,

Welcome to the Patriot Family! We know that the transition from eighth grade to high school is both exciting and filled with many questions. Please know that members of the Student Services Division are here to help you navigate the high school journey as you explore the many classes, activities, programs, resources and other adventures that await.

The pages of this Transitions Guide are filled with information about the important events that will take place over the next several months to ensure a smooth transition to high school. The answers to many of your questions may be found in this guide. Please review this guide and Incoming Freshman webpage carefully and mark your calendars with the dates of upcoming events.

For your information, you may always reach Stevenson High School by calling our switchboard at 847-415-4000 between 7:30 a.m. and 6:30 p.m. on any school day. You may also contact departments directly. Many of these phone numbers may be found in this guide and are also located on our website.

Stevenson High School is a special place with countless opportunities inside our classrooms and beyond. We look forward to working with your family over the next four years.

Kind regards,

A handwritten signature in black ink that reads 'Sarah Bowen'.

Sarah Bowen

2022-23 ACADEMIC CALENDAR

View the most current academic calendar at:
www.d125.org/academics/2022-23-academic-calendar.

Dates are subject to change. Please check the Stevenson website regularly for the latest updates.

NEWS ALERTS

Stevenson High School offers two e-newsletters to help students and families stay informed. The Daily Digest is a daily newsletter published on school days for students and families. It features a mixture of Stevenson news, student announcements and varsity sports results. The e-Minuteman is a weekly newsletter published on Fridays for parents and guardians. It includes important deadlines and reminders, key updates and announcements. We strongly urge our families to subscribe to both newsletters to get the most up-to-date information about Stevenson events, opportunities and announcements.

To subscribe to these e-newsletters ahead of time, please visit:
www.d125.org/about/shs-communications.

SOCIAL MEDIA

Stevenson supports the active use of social media by our teachers, coaches, sponsors and administrators. Facebook, Twitter and other social networks make it easier for Stevenson parents/guardians, students and fans to get the latest news and information about our school.

We encourage you to review the social media accounts and connect with us, show your support for our school and participate in an open exchange of information and ideas.

Sites listed include official social media channels for Stevenson High School as well as social media sites managed by Stevenson divisions, athletic teams, clubs, parent groups and teacher sites that are active and open for anyone to follow.

Visit: www.d125.org/about/social-media-directory.

SCHOOL ENROLLMENT AND COURSE SELECTION

SCHOOL ENROLLMENT INFORMATION

Families will receive information on how to complete the online enrollment process via an email sent the week following winter break. Parents will need to review and upload the required school enrollment documents and complete the information listed below.

- ❶ Household Information
- ❷ Parent/Guardian Information
- ❸ Student Information
- ❹ Annual Affirmation of Legal Residency
- ❺ Consent for Records
- ❻ Home Language Survey

REQUIRED HEALTH FORMS

Parents will need to review and complete a series of required health forms by May 1, 2022. Forms are available at www.d125.org/incoming-freshmen.

- ❶ Child Health Examination Form
- ❷ Health Emergency Form
- ❸ Dental Examination Form
- ❹ Asthma Action Plan
- ❺ Anaphylaxis Action Plan
- ❻ Permission to Administer Medication Form

COURSE SELECTION

In mid-January, incoming freshman families will receive a letter sharing their student's course placement recommendations in English, mathematics, science and if applicable, world languages.

Shortly after this information is mailed home, Stevenson will host three virtual course selection evenings for incoming freshman families:

- ❶ **Jan. 20** During these evenings, families will have the opportunity to
- ❷ **Jan. 24** virtually meet with a Stevenson school counselor or director
- ❸ **Jan. 25** for support in choosing classes for the upcoming school year. Information about which nights families should attend based on their last name will be communicated closer to the course selection nights.

COURSE VERIFICATION

The completed 2022-23 Incoming Freshman Course Selection form must be returned by the Jan. 28 deadline in order to ensure a smooth transition to high school. Once received, an Incoming Freshman Course Verification Confirmation sheet will be mailed home in early February. Instructions for submitting requests for an elective course change will also be included.

STUDENT GUIDEBOOK

All freshmen will have the Student Guidebook downloaded onto their school-issued iPads. This guidebook will support the transition to high school by familiarizing students with school procedures and providing an opportunity to establish goals, manage time, enter assignments, establish priorities and record personal and social information. Students may also purchase a paper version in the School Store.

QUESTIONS?

To view the latest enrollment and course selection details and deadlines, visit: www.d125.org/incoming-freshmen or call Student Services at 847-415-4502.

SUMMER READING

QUESTIONS?

For questions regarding summer reading, call the Communications Arts Office at 847-415-4325.

SUMMER ASSIGNMENTS

All incoming freshmen must read a designated book for their English class over the summer.

At the beginning of the school year, students will be expected to participate in discussions, use evidence from their book in their writing and demonstrate (in various ways) that they have read the book.

DISCUSSION QUESTIONS

What is the purpose of the summer reading?

- To promote reading for enjoyment.
- To increase reading skill. Studies show that the more you read, the better reader you will become.
- To become acquainted with the general topics and themes of the course.

Are there any questions I should keep in mind as I read?

Yes. As you read, consider the following:

- How does the main character change/mature over the course of the novel?
- What are the central conflicts the main character faces? How are they resolved?
- What lessons does the main character learn?
- What are some of the important ideas in the book?

Should I annotate my book?

Your teachers encourage annotation while reading as a way to engage in active reading; however, it is not required for the summer reading assignment.

Where can I find a copy of the book?

Barnes & Noble and Amazon are good resources, as well as the local libraries.

SUMMER PROGRAMS

SUMMER SCHOOL

Stevenson High School offers a two-semester academic summer school program. Summer school is an extension of the school's regular academic program designed to provide students with opportunities to gain academic credit, receive enrichment or remediation and explore new interests.

Incoming freshmen are strongly encouraged to consider enrolling in summer school, as it facilitates the adjustment and transition to high school. About 70% of Stevenson's incoming freshmen enroll in summer school annually.

SUMMER CAMP

The Patriot Recreation Education Program (PREP) is planning to offer summer camps for incoming students in grades 2-12 in nearly every sport at Stevenson as well as other interests including music, art, science, day camp and more. Current student-athletes in grade 7 and 8 can get a head start by attending the Future Patriots Athletic Night tentatively scheduled for mid-May. Registration is open now for all spring courses.

Information on summer sports camps and other activities offered by Stevenson's PREP will be available online in March but may change depending on high school sports seasons and other factors.

QUESTIONS?

To view more detailed information about all summer enrichment opportunities, please visit Relevant Links at www.d125.org/incoming-freshmen.

TECHNOLOGY

HOW FRESHMEN RECEIVE THEIR IPAD

All incoming freshmen receive an iPad which they keep until they earn a diploma with Stevenson. Students should expect to use these to access textbooks, class assignments and communicate with their teachers. Incoming freshmen attending summer school will receive their SHS iPad in the classroom on the first day of summer school. Students attending the first sessions of summer school will receive their SHS iPad on Tuesday, June 7. If a student only attends the second session, they will receive their SHS iPad on Tuesday, July 5.

For students attending summer school

An optional hour-long iPad orientation session will start at 1 p.m. on June 8 and again on July 6. The session will be held in Link Lab (Room 3016). Students may sign up by replying to the email they will receive about this session. Additionally, students may simply show up to either session.

For students *not* attending summer school

SHS iPads will be distributed on Freshmen Orientation Day on Wednesday, Aug. 10.

STUDENT ACCESS TO TECHNOLOGY

Stevenson students are given access to several different technology programs. Every student is provided with a network account, an email account, Canvas account, IRC account and an Infinite Campus account. Login information (account names and passwords) should be kept private at all times. Additionally, all freshmen will have the Student Guidebook downloaded onto their iPads.

Students with questions or needing assistance with an SHS-issued iPad should visit the technicians at the SMARTdesk. The SMARTdesk is located in the Link Labs building. During summer school, the SMARTdesk is open Monday through Thursday from 7:30 a.m. to 2 p.m. Special hours will be posted. During the school year, it is open on regular school days from 7:30 a.m. to 4 p.m. On late arrival days from 10 a.m. to 4 p.m. Special hours will be posted.

During the school year, computers are available for student use in the Information Learning Center (ILC) in the West Building (Room 2300) or in the East Learning Center (Room 7026). Freshmen may use the desktop computers during study hall by asking a classroom teacher for a pass to one of the Learning Centers from study hall.

The use of a Stevenson High School computer is intended to serve instructional purposes only, playing games is not permitted. In exchange for the privilege of using the District's computers, computer network and internet access, students must consent to staff members monitoring such use.

In order to use the internet, a summer school student must have a signed Acceptable Use Guideline form (regarding access and use of the District Information Services systems) on file. For the school year, students will agree to acceptable use during the registration process. Inappropriate use of the District's computers, computer network and/or internet access may be considered gross disobedience or misconduct.

QUESTIONS?

To view more detailed information about our technology services, including answers to frequently asked questions, please visit Relevant Links at www.d125.org/incoming-freshmen.

FINE ARTS

AUDITIONS

Follow SHS social media and Stevenson's Fine Arts webpage for specific audition dates for each activity: www.d125.org/arts.

FINE ARTS OPPORTUNITIES

SPRING 2022

- Fall Play Auditions
- General Dance Company
- Summer/Fall Color Guard

SUMMER 2022

- Marching Band

- Frosh/Soph Play
- Spring One Acts Director and Designer Applications
- Winter Play

SPRING 2023

- Spring One Acts Auditions
- Spring Play One Acts
- General Dance Company Auditions
- Fall Color Guard Auditions
- Fall Play Auditions

CO-CURRICULAR ACTIVITIES

Co-Curricular activities are extremely popular at Stevenson. Ninety-three percent of the student body participate in at least one club, sport or activity by the time they graduate. Last year, more than 3,000 students performed almost 83,000 hours of volunteer work in school and community service clubs. Over half of the student body is involved in our vast intramural program. The theatre, dance, choral, orchestra and band programs boasted nearly 1,200 participants. More than 650 students participated in student government last year.

There are more than 140 clubs and activities in which a freshman can participate. Information about all of these activities can be found at: www.d125.org/students/activities.

Each freshman student will receive a Co-Curricular brochure in the Freshman Welcome packet that will be handed out during Freshman Advisory. Students are also invited to participate in activities through freshmen advisories. Club and sport announcements are announced during the Stevenson Network News (SNN) broadcast that starts each school day.

CO-CURRICULAR FAIR

The Co-Curricular Fair will be held in-person on March 16. Students will be able to explore the opportunities available to them and a variety of groups will be represented so students will be able to learn about them and can ask questions. All incoming freshmen and their families are invited to attend and hear from coaches, club sponsors and current Stevenson students who represent over 35 sports teams, more than 140 co-curricular clubs and many intramural programs. Take advantage of this opportunity to learn about all that Stevenson offers.

QUESTIONS?

For more details regarding Stevenson's co-curricular activities, contact Student Activities at 847-415-4462 or visit: www.d125.org/students/activities.

* Stop by Student Activities to learn about the latest co-curricular activities as this list may be modified or canceled due to the latest safety guidelines or interest level.

ATHLETICS

Fall Stevenson athletes must complete registration for the 2022 season by Aug. 1. Registration for winter and spring athletes is due five days prior to the tryout date.

The registration procedure requires the online Athletic Participation form to be filled out *after* a student's school registration, which must be done by mid-June/July. (Please allow a 24-hour processing period between school registration and athletic online registration).

The Past Medical History and Child Health Examination form (physical) must be submitted to the school nurse five days prior to the tryout date.

The Athletic Participation form registers the athlete for fall, winter and spring sports for the 2022-23 school year and is available on the Stevenson Athletics' webpage: www.d125.org/athletics.

The Child Health Examination form is a doctor's confirmation that the athlete is physically able to participate in athletics. The athletic physical cannot be more than 395 days old during the time of athletic participation according to the Illinois High School Association (IHSA). This form is available on the Stevenson Health Services webpage at: www.d125.org/incoming-freshmen.

It is imperative that the student's physician circle "Yes" on the Child Health Examination form so the student is medically cleared to participate in interscholastic sports. Unregistered athletes will not be allowed to try out, begin practices or participate until all forms are completed, signed and on file in the Athletic Office. All athletes must be covered by some form of insurance in order to participate.

ATHLETIC TEAMS

Check the Athletics webpage for specific tryout dates for each sport: www.d125.org/athletics. Some sports may be modified or canceled based upon the latest safety guidelines.

ATHLETIC OPPORTUNITIES

FALL

Allied Bowling (coed)
 Cheerleading (boys and girls)
 Cross Country (boys and girls)
 Field Hockey (girls)
 Football (boys)
 Golf (boys and girls)

 Weight Training (coed)
 Wrestling Open Mat (coed)
 Yoga-Virtual (coed)

QUESTIONS?

If you have any questions regarding intramurals, please call Student Activities at 847-415-4462 or visit: www.d125.org/students/intramurals.

FREQUENTLY ASKED QUESTIONS

How are my student's placements determined in English, mathematics, science and world languages?

Placements are determined based on a combination of a student's performance in eighth grade courses, conversations with the student's eighth grade teachers and benchmark data.

Stevenson's divisions may use a slightly different evidence-based process to arrive at placement recommendations, so please review the information for division-specific benchmark details available here: www.d125.org/student-life/incoming-freshmen.

Options are available for adjustment but parents and students should discuss this with the student's current teachers.

What if I have questions about my student's placement in English, mathematics, science, world languages, or special education?

You should contact the director of the specific academic department:

English	Douglas Lillydahl 847-415-4326
Mathematics	Darshan Jain 847-415-4601
Science	Dr. Steve Wood 847-415-4401
Special Education	Traci Wallen 847-415-4834
World Languages	Justin Fisk 847-415-4701

What is a normal class load?

The typical school day consists of eight 47-minute periods. School begins at 8:30 a.m. and ends at 3:25 p.m. Freshmen may enroll in up to seven classes (including physical education or dance) but have the option to enroll in a study hall as opposed to a seventh class. Freshmen are assigned to a lunch/Advisory period. Lunch periods are divided into two periods: 27 minutes for lunch and 20 minutes for Advisory.

What is Freshman Advisory?

Freshmen are assigned to an Advisory that meets Monday through Thursday for 20 minutes during their lunch period. Advisories are supervised by selected Stevenson teachers and upperclassmen who enjoy working with students in a less structured setting. The goal of Advisory is to make the transition to Stevenson as smooth as possible for all freshmen. School counselors visit advisories regularly to meet with their students. Additionally, deans and social workers visit advisories throughout the year to ensure students get to know other Student Support Team (SST) members.

Should my student take a full-period study hall or a seventh class?

We recommend that all students should consider the following before deciding:

- A study hall provides a structured time and place to work on homework assignments, get extra help in the learning centers or make up missed tests at the testing center.
- For a student involved in co-curricular activities, a study hall provides time for homework completion.
- A seventh class allows students to explore elective courses. Stevenson offers elective courses across many divisions. Course descriptions can be found in the SHS Coursebook, which is also available on the Stevenson website.

If undecided about what to do, remember that a student may start a semester with a seventh course and has approximately seven weeks in which to drop a course without suffering any penalty. Talk to a school counselor for more information.

Which courses should my student take for college?

All information pertaining to graduation requirements and college admissions can be found in the beginning pages of the SHS Coursebook. College admissions requirements vary from school to school. Some schools require fine arts, applied arts and/or world language courses. Any questions can be directed to your student's school counselor.

What if my student is having difficulties in a class?

If a student is having a problem in a class, all remedies start with the student talking to the teacher. Students are advised to make an appointment to meet a teacher during free time or a study hall period to discuss the difficulties. Students are also encouraged to meet with their school counselors. Counselors will share resources and supports available and assist students in developing plans to address their concerns.

Should my student take summer school courses?

Summer school is not required, but taking a summer school course allows a student to become familiar with Stevenson's academic policies and procedures and get to know other students. It may also allow a student to create space in their schedule during the school year for an elective course or study hall.

Are school counselors available over the summer?

Yes, students can email any course-related questions or request an appointment with a school counselor by emailing summercounselors@d125.org or calling 847-415-4080 over the summer break.

When may a student take Driver Education?

Enrollment in driver education is based on age. Cutoff dates are printed in the SHS Coursebook. This course is normally taken during one semester of sophomore or junior year as students are ineligible to take the course during freshman year. The student must have a social security number, an instruction permit issued by the Secretary of State's office through the Driver Education Department, parental consent, verification of age and have earned at least eight credits in the previous two semesters. Passing the classroom phase of Driver Education is required for graduation.

How do we learn about co-curricular activities?

Each student will receive a Co-Curricular Activities catalog in Freshman Advisory. Students are also invited to attend the Co-Curricular Fair on March 16 to discover all that Stevenson offers. In addition, club and sport meeting times are announced through the student announcements webpage on the SHS website and through the Stevenson Network News (SNN) morning announcements. For more information, visit: www.d125.org/students/activities

Are there late afternoon buses for students involved in sports and student activities?

Monday through Friday, buses leave the Forum from parking lot B at 4:30 p.m., 5:30 p.m. and 6:30 p.m. The route each bus will take is determined by the destinations of the students riding.

How do I contact my student's counselor?

Parents can always contact a school counselor by email or phone. One option available to freshman families is arranging a SCoPE meeting. Student Counselor Parent Engagement (SCoPE) meetings will consist of a 30-minute meeting with the student, parent/guardian and counselor during which families will have the opportunity to share more information about their student's strengths, interests, goals and concerns. In addition, counselors will provide information about their role in helping students and families to navigate the high school experience as well as make the most of programs and resources offered to support students.

How does my student see their school counselor privately?

Students are able to arrange a meeting with their school counselor during the school day. Students are encouraged to make an appointment during a study hall, lunch period or before school. Appointments can be scheduled through the counselor's Calendly link or by emailing them directly.

What kinds of support services are available at Stevenson High School?

Students experiencing difficulties at Stevenson are referred to the individual's Student Support Team (SST), consisting of school counselor, a school psychologist, a dean and a social worker. Appropriate intervention strategies to promote student success are recommended at weekly SST meetings. More information can be found on the Student Services webpage as well as the Student Learning Program webpage.

Student Services:

www.d125.org/students/student-services

Student Learning Programs:

www.d125.org/academics/tutoring

Are there any iPad restrictions?

The SHS iPads will be issued with a managed Apple ID. This will automatically disable these features: "iMessage, FaceTime, purchasing through the app store, iTunes store, Book Store, HomeKit connected device and Apple Pay. Parents/guardians are encouraged to handle and view the SHS iPad and set any family household rules about iPads. The iPad is still property of the school until the student graduates. Parents are welcome to set additional restrictions on school-issued iPads using the options provided within the operating system. In iPadOS 15, there are many new features for restrictions. For details about Apple's iPadOS restrictions, please visit this webpage: <https://support.apple.com/en-us/HT201304>.

Use of any third-party apps for restrictions of the SHS iPad will conflict with the district management of the iPad and therefore will not function. Parents/guardians may request to have the district add restrictions and manage them. Inquiries for district management of restrictions can be emailed to Nancy Hudson, SMARTdesk Manager at nhudson@d125.org.

Do all students need to take swimming?

Swimming is required for every freshman student enrolled in Physical Education. This does not currently include sophomores, juniors or seniors.

When is the first day of school for freshmen?

Freshmen orientation is on Wednesday, Aug. 10. On that day, freshmen attend an orientation meeting in the morning and follow an abbreviated version of their schedule in the afternoon. Regular bus service is available on this day. The first day of school is Thursday, Aug. 11.
