All tuition assistance is only awarded by the Financial Aid Committee. Each year applicants for financial aid outnumber the grants available; therefore, awards are only granted to qualified students who are most in need of financial assistance.

To be eligible for financial aid, all parents must complete all of the following:

- FACTS Tuition Aid Application on-line at online.factsmgt.com/aid.
 - All financial aid recipients must be on the FACTS Tuition Payment Program. There are no exceptions.
 - Applications for financial aid will be reviewed after receipt of completed forms.

Please contact the Finance Office 973-729-6125 with any questions regarding Tuition Assistance.

Diocesan Policy regarding the Collection of Tuition

Parents are expected to keep their payments of tuition up-to-date. All outstanding tuition must be settled by May 30. Report cards will not be issued to students with outstanding tuition. In addition, academic services will be suspended as of July 1 (this means no new schedules will be issued) if the account is not current. To allow a family to accumulate several thousand dollars in debt with the expectation that they will settle their account by graduation is unreasonable. Therefore, the following Diocesan policy will be followed with regard to outstanding tuition:

- A. All outstanding tuition and fees must be paid by May 30, otherwise the end of the year report card, diploma, new schedule, and/or transcripts will not be issued.
- B. After one month of outstanding tuition, educational services will be terminated. Arrangements may be made for the delinquent payment up to the date for discontinuation of services. All arrangements will be made in writing on the Tuition Payment Arrangement Form with both parent and principal/finance office signing the agreement. A copy of the Arrangement Form will be kept on file in the Finance Office.
- C. All outstanding tuition and fees must be paid in full prior to graduation.

Withholding of Academic Records and Examinations

All academic records and transcripts will be marked incomplete for students with outstanding tuition due. The mid-year and final examination of students with outstanding tuition will be withheld until all financial obligations are satisfied. **Withdrawn student's transcript will be marked incomplete until all financial obligations are resolved.**

Participation in After School Activities

Any student with outstanding tuition or fees will not be permitted to participate in any school-sponsored club, organization or athletic activity during the time the tuition is delinquent unless payment arrangements have been made with the Finance Office.

Participation in Graduation Exercises

Any student with outstanding tuition or fees will not be permitted to participate in graduation exercises, nor will the student receive his/her diploma until all outstanding financial obligations are satisfied.

The FACTS Management Company is an intermediary collection management company. All tuition and fees due to Catholic Academy of Sussex County are payable to Catholic Academy of Sussex County. *Any customer that is delinquent and whose account is outsourced to a collection agency or an attorney will be financially responsible for those additional fees incurred for the collection process.
