Some Favorite St. Mark's Memories from the Class of 2020

“ My favorite St. Mark's memory was the 6th grade trip around Texas. My grade visited several cities, learned a lot about our state, played some fun games, and ate some good food. My roommates were my best friends, which made the trip even better. ”

-Jackson Soler

“ My favorite St. Mark's memory is playing six-square and basketball outside everyday. ”

-Daphne Melton

“ Seeing Ms. Willams every weekend on Sunday setting up her classroom after I got out of church. ”

-Owen Lynch
