

Awards Season

RECOGNIZING GROWTH AND LEADERSHIP

As the year ends, we recognize many students who have shown growth and leadership throughout the year.

In Lower School, we present certificates to 4th grade students who achieved High Honors by earning all A's and those who achieved Honors by earning all A's and one or two B's. Students in 2nd through 4th grade receive recognition for achieving the Paw of Approval certificate for earning 4's with one or two 3's in work habits, social skills, and behavior management from both their homeroom and enrichment teachers. This year, we recognized students in Trimester 1 and Trimester 2.

In Middle School, students are recognized for the following awards. This year, due to our Distance Learning experience, we were unable to gather in person. Our team of Middle School teachers still met to determine who should win the following awards, and a virtual award ceremony was held online. We are so proud of our students!
