

Alumni Week

ST. MARK'S ALUMNI GATHER VIRTUALLY!

Our Virtual Alumni Hangout

This year our St. Mark's Alumni Week looked a little different. In lieu of the typical events we hold on campus for our alumni during Alumni Week, we hosted a virtual event over Google Hangouts. All of our high school aged alumni were able to catch up with their old teachers and see friends from their class at St. Mark's. We listened to what high school is like for the freshman and where the seniors are

headed to college. The alumni, along with the teachers, told stories and brought up memories of their time at St. Mark's. While we were not able to see our alumni in person this year, we were so grateful for a chance to catch up!
