Admission Office

ADMISSION AMBASSADORS

Amanda Duplantis,
Director of Admission

Why do we have Admission Ambassadors?

During their 8th grade year, St. Mark's students are invited to apply to be part of our Ambassador Program. As our student admission leaders, Ambassadors participate in campus tours, interact with visiting prospective students and parents, and speak at admission events throughout the year. Additionally, you may have seen this team during morning carpool giving out high-fives and handshakes at Mr. Wagers' daily post.

Our visitors are most struck by their interactions with our students, specifically our Ambassadors. Not only do they provide authentic student perspectives, but they bring our Portrait of a Graduate to life!

We are so proud of our 2019-2020 Admission Ambassadors:

Daphne Melton   Sofia Kurtin
Campbell Grissom   Will Gillette
Sarah Doan   Sam Marino
Jasmine Sidhu   Owen Lynch
Allison Artlip   Chase Anstead
Leila Elserag   David Chiu

The Admission Ambassadors make a lasting impression on families as they tour St. Mark's! Here is some of the feedback we received from prospective families about the Admission Ambassadors:

"The ambassadors were outstanding. We enjoyed hearing the facts about the school from their perspectives and seeing how they interacted with the adults!"

"I was impressed by the quality of the classrooms, the focus on morals sprinkled throughout all the classes, the academic attention, and mostly the ambassadors leading our tour who were happy to be there. That is the truest sign of a positive environment."

"I really enjoyed the student ambassadors and the way they took pride in their school. They were bright and engaging. It was also great to see what a day in the life of a student is like—going into classrooms and meeting teachers as well as seeing and hearing what the students were learning."

Hey Class of 2021!

Are you interested in serving as an Admission Ambassador? Stay tuned for more information on how to apply for this great leadership opportunity in the fall!
