What is the Annual Fund?

The Annual Fund is by far the most important fundraising effort at St. Mark's each year, and gifts at any level demonstrate our community's commitment to our school's mission. Each year, we ask you to support our school's academic and learning environment by making a tax-deductible and discretionary contribution to the St. Mark's Annual Fund. Donations provide the supplemental resources needed for the full support of our children and their educational development.

Why in Addition to Tuition?

Tuition covers our basic operating budget, which includes salaries, benefits, utilities, and campus maintenance. The Annual Fund directly impacts program improvements, and allows us to provide the best environment possible for our children. As a school, we budget for areas like professional development, technology, curriculum, and facilities, but the Annual Fund bolsters these areas. The entirety of the St. Mark's experience is made possible by this important initiative.

Meet This Year's Annual Fund Chairs

"Recognizing the current challenges in our world today, we are only as strong as our community. At St. Mark's, we are a community engaged. To nourish this engagement, the St. Mark's Annual Fund supports the entirety of the experience for our children and families.

We must be united in bolstering our nurturing learning environment. A multi-prong approach will be required to appropriately equip our teachers and facilities, engage our learners, and support our families and each other. Our Houston community at large, St. Mark's Episcopal Church, our grandparents, and our alumni are all essential to strengthening our community this year. Please consider joining us by participating in this crucial campaign this year."
