

Building a Legacy Annual Fund 2021-2022

The Building a Legacy Annual Fund helps to close the gap between the cost to educate a student at St. Pius X - St. Matthias Academy (PMA) and the actual tuition collected from families. Your generous donation allows us to support our students and provide them with a quality, Catholic, college preparatory education. Join us as we teach students to discover their purpose, the place where talents and passions meet the world's needs. Together we can transform the world.

I will donate to the Building a Legacy Annual Fund
