

Fees 2022

The following rates and figures apply to all pupils at the Trident Preparatory Lusaka in 2022. These fees are subject to review by the Board of Trustees. Generally, fees are reviewed annually but the Board reserves the right to adjust fees more frequently if necessary.

Application Fee

This payment is due when parents complete a formal application for a place at the school for their child. It is a once-off fee and is non-refundable. The fee is applicable for each application.

Registration Deposit

Once the school has offered a place to a child, this payment becomes due. The registration payment guarantees a pupil's place at the school and is refundable at the end of the child's time at the school, once the fee account is fully settled. The registration deposit becomes payable immediately a place is offered and should be done within a month of receiving a letter of offer.

Sundry Charges

The cost of other items such as uniforms, stationery, trips, exam fees, medical expenses etc, paid on behalf of a child, will be charged to the account and are payable on presentation.

This fee is for tuition only. Please take note that fees are reviewed annually
