

The Calhoun School Benefit 2022 May 9, 2022

ABOUT THE CALHOUN SCHOOL

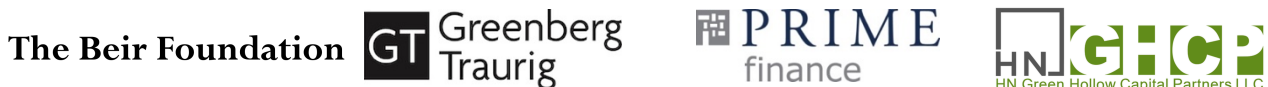

Founded in 1896, Calhoun is a non-profit progressive, coeducational, college preparatory school for students in early childhood through twelfth grade. Calhoun's mission is *a progressive approach to education which inspires a passion for learning that values intellectual pursuit, creativity, diversity and community involvement*. While the school's three buildings are located on Manhattan's Upper West Side, Calhoun draws students from the greater New York City area. In addition to its current students, Calhoun has a dynamic alumni body. Many of the school's graduates and their families continue to reside in Manhattan and the greater tri-state area.

CALHOUN'S ANNUAL BENEFIT

Coming off last year's virtual benefit which raised over \$400,000 for financial aid, Calhoun returns to an in-person special event fundraiser this year. We will gather at New York City's iconic Tavern on the Green to celebrate Calhoun's 125th anniversary, reflecting on where we have been and open to the future that we will build together. All proceeds will support financial aid. This year's format will include a cocktail party, buffet dinner, silent auction, live performances, paddle raise and dance party. We are excited about the opportunities to think differently about how the Benefit will both honor and support the incredible aspects of Calhoun that we all appreciate and cherish. Your support is an investment in the education of each and every student and truly helps Calhoun thrive every day.

RECOGNITION & PUBLICITY FOR YOUR BUSINESS

In addition to the benefits listed on the Corporate Sponsorship and Ad form, your company will gain goodwill exposure via our website which reaches thousands of people, your company's name will be listed in our print and digital benefit journal which is live on our website for nearly one year, and will be listed as a corporate sponsor/advertiser in our printed Annual Report which is distributed to thousands of households.
